OPEN SESAME

There is no better display of our **Neighbourhood Story** than in **Open Sesame**, where every detail takes you back to an Arab souk; as you enter, the arch welcomes you to the Dubai's fashion story, the fabric reflecting Abayas worn by local Emirati women, typically black on the outside with vibrant patterns on the inside.

Sit back and soak in the play of themes in the interiors; as your gaze moves from the fresh and playful mix of colors on the furniture, to the wall murals and wooden ceiling that is reminiscent of a dhow boat you would ride to the textile souk in Old Dubai. Don't miss the traditionally styled bar, clad in inspiring Mashrabiya design and bright red on the inside, just what you would find in an Emirati lady's jewelry box. A treasure trove of inspired beverage inventions! At **Hotel Indigo Dubai Downtown**, we tell stories through design and showcase the heart of the Neighbourhood in every nook and corner.
