IMAMURA UBUD

A Journey Through Nature, Culture and Humanity

S

This course is more than a Japanese tasting menu.
It is a story of Ubud.

A story of the relationship between nature and humanity.
A story of two cultures—Japan and Indonesia.
And ultimately, a story of the philosophy that one chef has discovered through a lifetime of cooking.

Food exists for more than nourishment.
Food connects people.
Food connects cultures.
Food connects memories.

Through courses, guests are invited to embark on a journey.
Our goal is not simply to serve delicious food.
Our goal is to listen to the voice of each ingredient and share its story.

And we hope that story becomes a memory that remains
with our guests long after the meal has ended.

Taste starts on the tongue, but stays in the heart.
