## Decorating Guidelines:

The hotel requires that the sales department review all decorations prior to the event. Candles must be contained in glass holders from top to bottom. No nails, staples or pins may be used on walls.

Table decorations cannot be sprinkled. For example, glitter, sand or confetti is not allowed unless in a container. No helium filled balloons are allowed in the convention center or meeting space.

Contracted group is responsible for any damage to the Convention Center. This includes linens, walls, floors, tables, chairs etc.

Access to the Convention Center prior to the event for decorating will be determined one week prior to the event based on room availability.
