# Our Commitment to You

## Meet with Confidence

Whenever and wherever you travel, IHG® Hotels & Resorts is ready to meet you there. When you are ready to plan your next meeting or group event, you can book with confidence with our new flexible meeting offer.

Providing a safe, healthy, and clean stay for every traveler has always been important to us. Our new Meet with Confidence program allows you to stay focused on your meeting objectives. Giving you the additional confidence in our approach is more critical to us than ever before. IHG will continue to refine and update the plan as guidance continues to evolve from global health organizations including the World Health Organization (WHO) and Centers for Disease Control (CDC), and state and local authorities.

A still life arrangement of various breakfast items on a wooden table. In the center, a glass jar with a lid is filled with macarons in shades of pink, yellow, and white. To its left, a white marble platter on a gold stand holds several cookies, including chocolate chip and round pastries. To the right, a glass jar contains pretzels, and a small glass dish holds pieces of dark chocolate. In the background, three glass bottles contain white, dark, and pink milk. In the foreground, a white bowl is filled with fresh strawberries, and a small glass of white milk sits on a white plate with a few macarons. The word "Breaks" is overlaid in white text in the center of the image.
