

POTUS

BAR

P.O.T.U.S began as an abbreviation used by telegraph operators in the 1890's, it stands for President of the United States. Although that era represented the beginning of mass personal communication, we truly believe the best connection between people always happens around a table with food and drinks

In accordance with the Weights & Measures Act 1995, the measure for the sale of Gin, Vodka, Rum and Whisky on these premises is 50ml or multiples thereof. Wines are sold by the glass measured at 175ml but can also be ordered by 125ml. 25ml spirit measures are available upon request.

This menu contains allergens. If you have any food/drink intolerances or allergies, please let a member of the bar team know upon placing your order.

COCKTAILS

Our cocktail list has been created with US Presidential history in mind, creating an experience in which time holds a special place

LIGHT AND FRUITY

Bee's Knees cocktail £10
"The unsinkable Molly Brown". By her real name Margaret Tobin Brown, she was one of the 712 survivors of the Titanic from 1912. The drink has been mentioned in an article of Brooklyn Standard Union from 1929, as famous drink among the women-only bars in Paris, places where Ms Brown was very popular. Fresh and sweet drink made with gin, mellowed with honey and balanced by citrusy notes.

Ocean Breeze £11
Back to 1930 the American farmers were promoting the cranberry fresh juice during Prohibition when alcohol was banned. The first mention of the cocktail was discovered in The Savoy Cocktail Book created by Harry Craddock under the name "Sea Breeze Cooler" and originally was a gin-based drink. Ocean Breeze is a twist of the original recipe that has a base of vodka with cranberry and orange juice.

Mary Pickford £10
Mary Pickford was one of the first movie stars in America. The cocktail that has her name, was created in 1920, Havana, at Hotel Nacional de Cuba during the Prohibition period in US. The cocktail was created by the bartender Fred Kaufman, being published in the book "When its cocktail time in Cuba from 1928."
This drink features Havana rum with a hint of maraschino flavour and freshness from the pineapple juice

South Side £11
The storytelling behind this cocktail goes back to the prohibition era in Chicago, where the bootleggers rival gangs divided the town in two sides: The Northsides and the Southside with the famous Al Capone.
This cocktail is inspired by the favourite drink of Al Capone called Southside that has a strong base of gin mellowed with sugar cane and a twist of citrus juice and fresh mint leaves.

RICH AND SAVOURY

Blood & Sand £12
The cocktail is inspired from the movie Blood and Sand from 1922 starring the famous actor, Rudolph Valentino. Blood and Sand cocktail is the balance between the strength of the scotch and sweetness of the vermouth, with hints of cherry flavour and freshness of orange juice.

Vesper Martini £11
Vesper Martini is a cocktail inspired by Ian Fleming's book from 1953, Casino Royale, where James Bond meets the double agent Vesper.
The drink contains gin and part vodka, a dash of lillet blanc with hints of citrus.

DARK AND DECADENT

21 Amendment £12

5 of December 1933 marks the history of USA as Repeal Day, the day when Franklin Roosevelt passes the 21 amendment that brings the Prohibition era to an end. This cocktail is created as a celebration of this significant day, blending in a drink the main elements that marked the cocktail making: gin, vermouth, amaro and a dash of bitters.

Churchill £12

The cocktail it is a tribute to Winston Churchill and his passion for scotch whiskey. The scotch in the cocktail is balanced with vermouth, Cointreau and a touch of lime zest.

Widow 's Kiss £12

First mentioned in The New York Herald newspaper from 1890, Widow's Kiss is an old forgotten cocktail. The drink is the perfect mixture of French apple brandy, Chartreuse and Benedictine with a hint of bitters. "*The Widow's Kiss is the most passionate poem which the liquor laureates of the Holland house hand out*" (The New York Herald, 1890).

Prince of Wales £12

Prince of Wales cocktail is inspired by the favourite drink of King Edward VII that was a champagne cocktail. Our recipe is a twist of the old version adding Hennessy cognac, Grand Marnier, brown sugar splashed with bitters, all completed with fine champagne.

Casual Negroni £11

It is said that its over 100 years old and it came to life when Count Camilo Negroni asked his bartender to strengthen his favourite cocktail Americano. Since then, Negroni became a statement for celebrities like Orson Wells: "Bitters from this drink are good for your liver". Our Negroni is inspired by the cocktail history and his versions over decades having a twist of lillet blanc and aperol with a base of gin

NON-ALCOHOLIC POTATIONS
