### Unique Meridian Blend

### White Oolong

*Visually beautiful – the shaped, colourful leaves produce a mild flowery aromatic cup. Both the leaves and infusion have summer hay flavours creating an intensely aromatic tea with notes of wild honey.*

### Chocolate Tea

*The unmistakable flavour of chocolate without all the calories. A medium-bodied blend of Chinese and Ceylon black teas that has been combined with chocolate chips and coconut to produce a wonderfully light black tea with a strong aroma and undertones of chocolate.*

### White Apricot

*A Gold Taste Award winning fusion tea that combines the refined character of a white tea with the honey-like sweetness of apricot pieces. The flowery undertones of marigold and rose round off the flavour, creating a truly delightful and refreshing tea.*

### Darjeeling First Flush

*From the Himalayan foothills, this first harvest tea of the spring captures light, bright, floral and delicate characteristics with earthy grassy notes. This particular First Flush is one of the finest teas from the region – a connoisseur's delight.*
