WELCOME TO CLIPPER BAR

It's time to feel alive, to savour every moment and
explore new discoveries.

Intoxicated by breathtaking panoramic skylines, we invite guests to
experience a taste of the InterContinental O2, sipping sensational
cocktails and savouring our Clipper Bites, as the urban landscape
transforms from silver and blue into mesmerising
black and gold at night.

The Clipper Bar takes its name from the fast sailing ships of the 19th
century. Did you know that the Clipper ships once navigated the
world's major trading routes, carrying luxurious goods such as gold,
opium and herbal teas across the East and between the North West?

It was in our very own East India Docks here in London, that the
Clipper boats would return carrying fragrant and herbal tea.

Whilst gazing out onto the glistening waters, we encourage you to
explore our menu, starting with signature cocktails inspired by some of
the trading routes, to our very own distilled London Dry Clipper Gin.

There's something for everyone to discover...

Kindly advise your server should you have any food allergies or dietary requirements. Please note that a discretionary service charge of 12.5% will be added to your bill. All prices are inclusive of VAT at the prevailing rate.
