

On the Prime Meridian line

The Prime Meridian line represents the longitude 0° of the World. Greenwich was the center of international trade in the 19th century and ships started to use it as the Prime Meridian of the planet.

The line divides the planet to East and West, just like the Equator divides the Northern and Southern hemispheres.

The Prime Meridian line runs through our building, just in front of the entrance of Meridian Lounge.

The logo for Meridian Lounge features the word "MERIDIAN" in a large, dark brown, serif font. Below it, the word "LOUNGE" is written in a smaller, dark brown, sans-serif font. Two vertical brown bars are positioned on either side of the text, one above "MERIDIAN" and one below "LOUNGE", creating a cross-like shape.
