IMPORTANT INFORMATION

IHG Clean Promise

IHG has launched a new hygiene procedure called IHG Way of Clean. It is a training in which all staff have been required to undertake as a part of our new enhanced cleaning guidelines. Please see below link which will give you a deeper insight into the IHG Way of Clean. <https://www.melbourne.intercontinental.com/IHG-Clean-Promise>

COVID-19 Restrictions

As a hotel we follow and adhere to the Victorian Government restrictions and safety advice regarding COVID-19. <https://www.dhhs.vic.gov.au/coronavirus>

Client Responsibilities

In order for the hotel to abide by current Victorian Government restrictions, we ask that you as the client and main organiser take responsibility for your delegates and event. We require a full list of delegates contact details including name and phone number prior to the event commencing for contact tracing purposes only. Your dedicated staff member will provide you with a sign off sheet which includes a checklist which we will require you to initial and sign to show that we as a venue have adhered to current Victorian Government restrictions. Our staff member will also sign as a mutual agreement.

As a hotel we have prepared a housekeeping briefing which is required to be presented to delegates at the beginning of your meeting/event to ensure all specified requirements are followed. This can be completed by yourself or the hotel staff member.

Meal Times

As you have a dedicated staff member for your event and specifically prepared catering, we ask for you to please adhere to your provided meal times as we need to ensure that all food is served and prepared in a timely manner.

Staff Member

As a part of the meeting experience currently for all catering requirements, you will have a dedicated staff member who will meet your onsite contact on arrival, serve all catering in your dedicated catering space and assist to any further requests throughout the day. Staff will wear appropriate protective equipment and additional cleaning will be undertaken on high touch areas such as door handles, chairs and light switches.

Items on Request

To minimise cross contamination, pens and pads are available to you complimentary on request. If these have been requested, we ask that all pens are placed in the 'used' pens bowl once they are no longer required to allow our staff to fully sanitise these.

Catering Space

You have been given an additional complimentary space for your catering. All crockery and cutlery is single use and where possible is disposable. Delegates are asked to please place their rubbish in the bins provided. No catering is to be taken out of the catering space and all crockery and cutlery is to be left in the space. Clearing of the space will occur once your meal time has concluded and all delegates have return to their function space.

Room Turnaround

With the increased level of cleaning if there is a requirement to change room set up throughout the session additional time and costs to facilitate will be incurred with changes.

Sanitiser Wipes and Hand Sanitiser Stations

Each delegate will have a sanitiser wipe placed at their setting on arrival to ensure that they are sanitising their hands. A communal hand sanitising station will be available in the pre function area for delegates to sanitise at their own discretion post meal breaks.

Entrance and Exit Signs

These will be displayed where possible. We ask for all delegates to abide by these.
