INSIDER COLLECTION

Memorable meetings and events with a real local flavor are part of the inspiration of InterContinental, which reaches our customers through Insider Collections. Our Insider Collections are a selection of tailor-made services that leave a long-lasting mark in business travelers.

INSIDER LOCATIONS

The experience does not end in the hotel. Santa Fe has a lot to offer to the guests. From archeology treasures, magical villages, environmental sanctuaries and historical sites to the best-known shopping centers and entertainment halls in Mexico City. Your business will be the perfect excuse.

BREAKS/INSIDER BREAKS

Every moment with your team is an opportunity to entertain, surprise and transform a routine into an event by itself. A few minutes out of heavy business schedules can positively change the mood of an event; encourage your group with delicious local dishes or bites and with all the goodness of regional cuisine.

INSIDER INTERACTIONS

Connect your group as never before. Make a good use of heritage, geography and cultural diversity Mexico has to offer and inspire interaction and involvement. Motivated and integrated, participants will be able to create more effective work relationships.

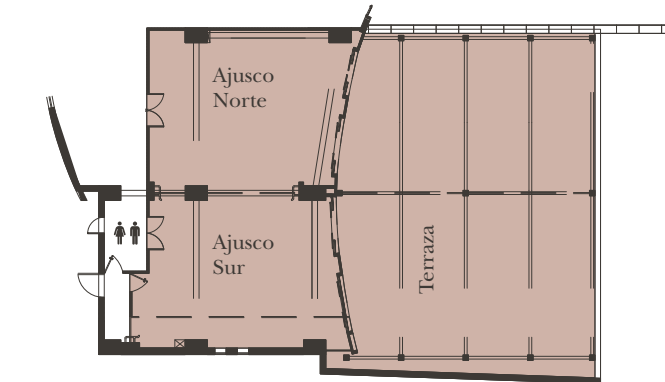

INSIDER COMMUNITY

Contact with local communities leaves genuine, motivating memories. In this regard, a series of significant activities have been designed. Take your attendants to Malinalco pyramids, Estrella caverns, Desierto de los Leones convent, Otomi ceremony center, and Monarca butterfly sanctuary. Also visit local communities and contribute with your involvement and a social awareness experience.

SPEAKERS/INSIDER SPEAKERS

Forget dull, monotonous meetings with the originality of our speakers. Somebody willing to touch your attendants' sensitivity and create an enriching experience. Fascinating, appealing and great motivators, speakers are celebrities from different backgrounds such as arts and sports, all related to local culture. Any of them will turn your gathering into a memorable event.
