

REDEFINING *MEETING EXPERIENCES*

Transform your event possibilities with this state-of-the-art, purpose-built virtual and hybrid event studio @ The Green Room of InterContinental Singapore. Located in the heart of town, The Green Room allows you to engage with your international audience LIVE! virtually or through a hybrid setup without the hassle and high cost of setting up a green screen and AV system at a separate location.

The Green Room comprises three zones within its 206sqm space:

ZONE 1

LED Display Wall

A custom-fit 6m by 2.5m display screen, harnessing LED technology to deliver seamless and optimised digital imagery and video.

ZONE 2

Green Screen Stage

A 180-degree infinity cove green screen stage with studio lighting and multi-camera setups to optimise chroma keying for live green screen blending and editing.

ZONE 3

The Event Space

A contemporary setting offering multiple configurations (classroom, cluster or cocktail) for live-studio audiences of up to 30 attendees.
