

The Perfect Day in Aurora Ontario

Thank you for considering **The Holiday Inn Express & Suites Aurora**. We hope you choose to stay with us and create unforgettable moments along the way. We have countless suggestions on how to spend the perfect day, but here are a few of our favorites to get you started.

Day 1:

Start off the day with a nice game of golf. We recommend the **Westview Golf Course**, which has been a nostalgic favorite in the area for over 60 years. A mature 27-hole layout, which consistently rank as both a great value and golf experience.

In the afternoon, I recommend you have a nice lunch on a beautiful patio with great menu at **The Gallucci Wineries**; gem of a winery located in Stouffville Ontario (10mins from the hotel). Gallucci Winery offers a variety of wines for every wine lover's palate. Full-bodied reds, easy-drinking whites, and exceptional ice wine. Book your own "Experience tour or private tour".

Finish the evening at the Drive-in; a stone's throw away from the hotel.

Day 2:

Start your second day in Aurora with a hike. Very close to the hotel, you will find a beautiful hiking trail located at the

Sheppard's Bush Conservation Area. It is 26 hectares (65 acres) in size, and has over three kilometers of hiking trails, eleven soccer fields, two picnic pavilions and several historic buildings including a maple syrup evaporator hut and the Sheppard family house.

Aside from the playing fields, the majority of the property is forested, and includes mature pine plantations, mixed forest, an old sugar bush, and a ravine along the East Holland River. Sheppard's Bush Conservation Area is also part of a larger network of public lands and recreation trails along the East Holland River. From here, you can go as far as Holland Landing on the Nokiidaa Trail or from Palgrave to Rice Lake on the Oak Ridge's Trail.

In the afternoon, we suggest you make your way to **Upper Canada Mall** in Newmarket (12 km from the hotel) over 250 stores and services. Why not splurge a little on yourself!

Pick up a delicious meal from the reputable **Fishbone Kitchen & Bar** famous for Seafood, Mediterranean, and Portuguese & Canadian menu options.

Back to the hotel for another, good night's rest in our clean, contemporary, smart design guest rooms.
