

A Perfect Day in Vancouver, Canada

Thank you for considering the Holiday Inn & Suites Vancouver Downtown. We hope you choose to stay with us and create some unforgettable moments along the way. Vancouver is one of the most beautiful cities in Canada nestled in nature. Our bustling and vibrant city is consistently named as one of the top cities in the world for livability and quality of life. There are countless suggestions on how to spend the perfect day, but here's one of our favorites to get you started.

A Day in Vancouver on the Water

One of our favorite ways to experience Vancouver is on the water and the best way to do this is buy a day pass on the [False Creek Ferry](#).

Begin your day by walking to the end of Davie Street through [Yaletown](#) to access the Yaletown Ferry Dock a 15 minute walk. There are so many possibilities so here's one. Our first stop is the Science World Dock it lands at the [Olympic Village](#), a legacy of the 2012 Olympics, here you have a few options:

- If you brought the kids, [Science World](#) will fill them with some nerdy knoweldge, or
- Grab a coffe/ breakfast/ cookies/ sandwiches at Vancouver's own [Terra Breads](#)

Head back to the dock and hop the next ferry to the Maritime Museum Ferry Dock where you have a few options:

- the [Musuem of Vancouver](#) (MOV), [Maritime Museum](#) or the [H.R. MacMillan Space Centre](#) for the space lovers.
- Our favoirt is to walk 10 minutes west to [Kitsilano Beach](#); here you can spend a fews hours playing in the sand, rent a [paddleboard](#) or pick up a game of basketball or beach volleyball.

From here, head to [Granville Island Public Market](#), explore the [Artisan Shops](#) or pick up dinner, then head to the [Sunset Beach Ferry Dock](#) for a dinner by the water, or return to [Yaletown](#) and explore the wide variety of award winning Vancouver based restaurants.

We hope you get a chance to experience the beauty of our city on the water!
