Spa and Recreational Zone: daily 10:00-22:00

Reservations can be made directly in the spa center reception, or by concierge service, or by calling:
+995 322 221 221/+995 322 72 73 02/2111

Please arrive 30 minutes before the scheduled procedure. In case of delay, the procedure will still be completed, but we might have to reduce its duration.

Meeting with Lifestyle Advisor and Spa Therapist

Lifestyle Advisor and Spa Therapist will advise you on selecting spa treatments and optimal care procedures. Please indicate if you have health problems, special requests, or needs. Also, indicate your preferred gender of the therapist while booking a procedure.

Rules for Children

Please note that spa and wellness procedures are intended only for adults (16+). Spa zone entry is prohibited for children under 6. 6 to 16-year-old children can use the swimming pool only under adult supervision. Within the spa zone, you can only bring children in private spa rooms.

Etiquette

Please minimize the noise level and refrain from using mobile phones and other electronic devices in the spa zone.

Payment

Payments can be made with all types of international credit cards. Personal or travelers checks are not accepted. You must indicate the willingness to use any type of gift card at the time of reservation. Please note that prices may be changed without prior notice.

Cancellation of Reservation

To avoid additional charges, please notify us 24 hours before the planned procedure about cancellation or time change. Any kind of change in within less than 24 hours is subject to the penalty of 50% of the cost of the procedure. In case of the no-show, you will have to pay the full cost of the procedure. It is compulsory to provide valid credit card data while booking any procedure. The same requirement applies for the gift card purchase.

Our Responsibility

The administration is not responsible for the loss or damage of your personal belongings. We offer lockable wardrobes in dressing rooms and chests in procedure rooms for the storage of personal belongings. We encourage you not to carry valuable items and money during the use of the spa services.

BALNEOTHERAPY

ANGEL OF WATER® – COLON HYDROTHERAPY WITH BORJOMI WATERS

60 minutes

The procedure irrigates the intestine with Borjomi mineral water Angel of Water® system, the effect of which is based on the gravitational self-flow. This has a gentle effect on the large intestine, improving peristalsis and evacuation. Microelements in Borjomi mineral water complement, hydrate and contribute to intestinal flora restoration of the intestine.

SCENAR - Self-Controlled Energy Neuroadaptive Regulator

SCENAR is a physiotherapeutic apparatus that acts on the skin with an impulse similar to impulses of the nervous system. The main advantage of SCENAR is that the impulse of the device is bio-variable. The characteristics of an impulse are constantly changing depending on the reaction of the skin; therefore, the brain perceives this impulse as an alarm signal from its own nervous system and activates the body's self-healing mechanism.

The SCENAR impulse is physiological, combines the advantages of many physiotherapy methods, such as darsonval, myo stimulation, diadynamic currents and even ultrasound, has a minimum of contraindications, is applicable to most diseases in the acute stage, has a pronounced analgesic, countercurrent and anti-inflammatory effect.
