Journey for Tomorrow

IHG's 10-year responsible business plan

IHG's Journey to Tomorrow is the company's global 10-year responsible business framework designed to help shape the future of responsible travel alongside guests, colleagues, partners and communities. It aligns with the United Nations Sustainable Development Goals and focuses on making a positive difference for people, communities and the planet.

The plan is built around five key areas:

- **People** : Championing an inclusive culture where everyone can thrive.
- **Communities** : Improving the lives of 30 million people worldwide.
- **Carbon & Energy** : Reducing energy use and carbon emissions in line with climate science.
- **Waste** : Driving the transformation to a minimal-waste hospitality industry.
- **Water** : Conserving water and securing access in areas at greatest risk.

Together, these commitments reflect IHG's purpose of True Hospitality for Good, encouraging collaboration across the industry to deliver sustainable impact long into the future.
