BRUSSELS AIRPORT

Our dedicated and passionate team is ready to make your event or meeting a success. With our “we can make it happen” attitude, the sky is the limit.

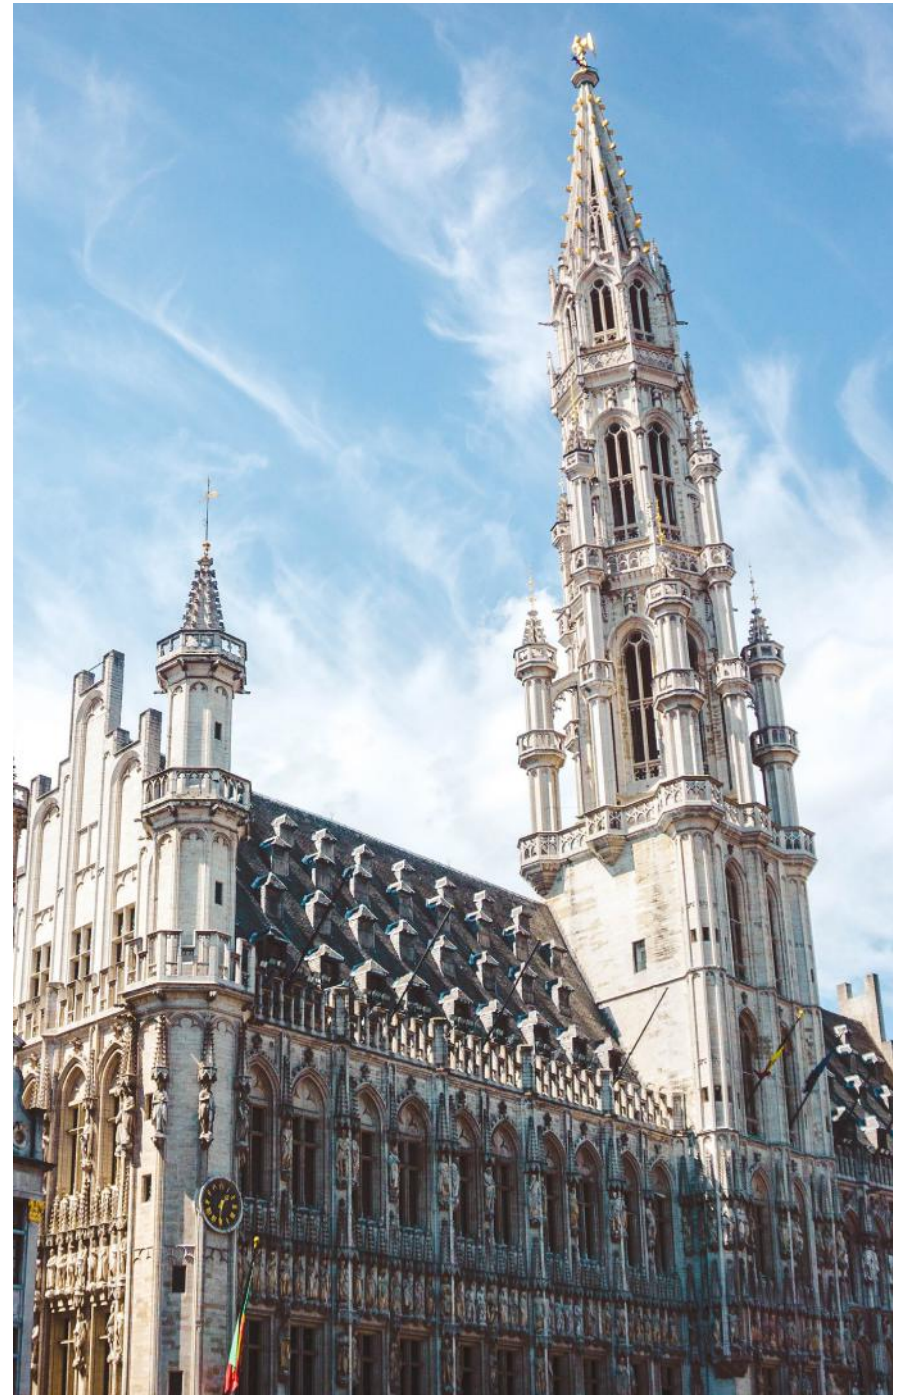

Brussels, capital of many!

For over half a century, Brussels has been the capital of Europe. Home to EU institutions, NATO, many international organisations and diplomats. But moreover Brussels is known to be the capital of comics, parliament and Magritte museum.

Eat fries on the Grand Place, taste a variety of chocolate in the Gallerie de la Reine, discover over 300 beers in the Delirium café downtown. No need to look for different shops to buy your chocolate, Brussels Airport is the largest chocolate outlet in the world. They sell 1,5 kg of chocolate every minute, impressive!

So much to discover and usually too little time. We would recommend visiting the “Grand Place”, considered to be one of the most beautiful squares in Europe and UNESCO World Heritage Site since 1998. Not to miss are other attractions such as “Manneken Pis”, Atomium and Palace of Justice. In Brussels you see many architectural buildings in Art Nouveau style, designed by our famous Victor Horta.

How to get there? A direct train from Brussels Airport will take you in only 17 minutes to the city centre. If you'd like to experience the Brussels' driving culture, a taxi will get you to Grand Place in only 20 minutes. Next to Brussels city centre, our hotel is located within 1 hour of Bruges, also known as the Venice of the North, where you can find the famous art of lace making. Go diamond shopping in Antwerp or be blown away by the many fashion design shops, at only 30 minutes from the hotel.
