

A photograph of a modern hotel building at dusk. The building's facade is composed of numerous vertical, rectangular panels that are illuminated from within, creating a warm, golden glow. The panels are arranged in a staggered, overlapping pattern. In the foreground, a large, mature tree with a thick, gnarled trunk and dense green foliage stands on the left side. The ground is paved with a checkered pattern. To the right, the hotel's entrance is visible, featuring large glass windows and doors. The interior of the entrance is brightly lit, showing a modern lounge area with sofas and a bar area. The sky is a mix of blue and orange, indicating the time is either early morning or late evening. The overall atmosphere is sophisticated and contemporary.
