## *Parking Information*

### Street Parking

Free parking in two hour spaces in central Geelong from 9am – 5.30pm.

Complimentary and no time limits apply outside of these hours (refer to map).

Each vehicle will be eligible for one session (up to two hours) of free parking in 2P bays each day.

Free parking will only apply to on-street two-hour parking bays, and time limits will continue to apply.

Drivers will be required to start a parking session at the parking meter or through the EasyPark app, but there will be no charge. Please note there are some 2P parking areas without a parking metre.

If you have used your free two-hour parking session and would like to park for longer, you must move your car to another 2P parking zone (not an adjoining bay) and start a new parking session. Second and subsequent parking sessions will be charged at the standard hourly rate of \$3.70 per hour. Parking across central Geelong and the region remains free across all parking zones on weekends.
