HISTORIAALLINEN HESPERIA HOTELLI JA RAVINTOLA

HISTORIC HESPERIA HOTEL AND RESTAURANT

HESPERIAN KLASSIKKO- COCKTAILEJA 70-LUVULTA

Alkuperäisen Hotelli Hesperian ravintola ja varsinkin yökerho oli aikansa menestystarina. Siellä nähtiin lukuisten kotimaisten laulajasuosikkien lisäksi maailman tähtiä, kuten *Frank Zappa*, *Abba*, *James Brown* ja *Sammy Davies Jr.*

Hotelli Hesperiaassa järjestettiin myös legendaariseksi muodostunut Winter Carnival, joka toi sambaa ja salsaa suoraan Latinalaisesta Amerikasta keskelle Suomen lumista tammikuuta!

Vuonna 1982 Hesperiaassa avattiin Suomen ensimmäinen Black Jack -kasinopelipöytä.

Kunnioittaaksemme alkuperäistä Hesperia ravintolaa, voit tänäkin päivänä maistella 70-luvun suosituimpia cocktaileja sekä muistella sen ajan nostalgisia tunnelmia. Hesperiaassa tiedetään ja on aina tiedetty, miten huvitellaan!

TASTE HESPERIA CLASSIC COCKTAILS FROM 70'S

The restaurant and especially the nightclub of the original Hotel Hesperia was a success story of its time. In addition to numerous popular Finnish singers, global stars such as *Frank Zappa*, *Abba*, *James Brown* and *Sammy Davies Jr.* performed here.

Hotel Hesperia is also home to the legendary Winter Carnival, which brought samba and salsa directly from Latin America to snowy Finland in January!

In 1982 Finland's first Black Jack casino table is opened in Hesperia.

To honor the original Hesperia restaurant, you can still today sample the most popular cocktails of the 70s as well to recall the nostalgic moods of that time.

We have never forgotten how to enjoy ourselves at Hesperia!
