Barkham Blue

Rich blue taste, smooth buttery texture with a melt in the mouth flavour, without the harshness associated with some blue cheeses

Oxford Blue

In 1994, Baron Pouget first developed the recipe for Oxford Blue which, over a period of time, was adjusted and refined to its present form: a creamy semi-soft blue cheese.

Wigmore

Sweet delicate sheep's milk cheese made by Anne and Andy Wigmore of Reading, Berkshire.

Rosary Ash

Light and zesty goat's milk log rolled in ash, the traditional covering for young goat's cheese. Made by Chris Moody in the village of Landford in Wiltshire.

Waterloo

An unpasteurised cow's milk cheese. A mould-ripened soft cheese, with a yellow interior, runny, buttery and lightly salty towards the outside, with a firmer consistency and more acidic flavour toward the centre.

Spenwood

A hard pressed cheese made from unpasteurised Ewe's milk, fully matured for six months with a natural rind. Well-developed nutty flavour similar to Parmesan

Tunworth

Award winning cheese with a long-tasting nutty and sweet milky flavour.
