

Meet ChaoBella

A one of its kind concept, ChaoBella, our dual cuisine restaurant boasts of serving world's two most popular cuisines Chinese and Italian both under one roof.

CHAO (literal meaning Hello in Mandarin) celebrates the ingredients from the land of mighty Yellow and Yangtze rivers. The menu is a rendition of the age-old wisdom with flavours from Chinese and South East Asian Cuisines. Inspirations have also been drawn from Peng Zu, who introduced Chinese cuisine to the world.

Italian food is adored for its regional flair and simple, rustic characteristics. The land is the melting pot of immigrants, invaders, caravans crossing the rugged landscapes thus enriching the local cuisine. Savour the modern Trattoria style food as **BELLA** (literal meaning gracious) offers you a true gastronomic indulgence.

A live show kitchen experience along with adjoining walk-in wine cellar makes it city's favourite spot for intimate dining experiences. The vibrant alfresco seating area made of woods & greens is a perfect destination for winter barbeques.

CHAO

Chao

Southeast Asia is a diverse and fascinating cultural crossroad that forms a geographical as well as a culinary link between Asia and the Indian subcontinent.

Traditional Southeast Asian recipes incorporate the organizing principles of Chinese cuisine and the complex flavours derived from Indian herbs and spices. Food can be sweet, sour, salty, spicy, and bitter all in the same bite.

Our new menu boasts of signature Dim Sums & Dumplings handcrafted with perfection, all-time favourite soups and staples as well as meats and seafood-stir-fried, pan-fried, wok-fried, or wok-tossed just the way the Chinese do.

Most Southeast Asian meals are served 'family style' rather than as a series of courses. All dishes are set on the table and guests are encouraged to take a little bit of everything.
