

VELA

SPA & BATHHOUSE

WELCOME TO VELA

A destination to breathe, unwind and restore.

Inspired by the beauty of the Hawkesbury Valley, VELA is a sanctuary for stillness, restoration, and elevated wellbeing. Each experience has been thoughtfully curated to restore balance, quiet the mind, and reconnect you to what matters most. From the warmth of our mineral pools to the calm of our relaxation lounge, each moment invites an opportunity to truly unwind.

Through the restorative power of water, touch, heat and advanced therapies, VELA Spa & Bathhouse is your sanctuary to recharge - a place to experience wellbeing in its most refined form.

THERMAL EXPERIENCES

A refined selection of contrast and immersion therapies designed to unwind, rejuvenate and restore

THE BATHHOUSE

Our Bathhouse experience is refined in a quietly social environment, a curated thermal journey designed to ease tension, enhance recovery and calm the mind. Move freely through a sequence of warm mineral pools, dry heat sauna, infrared sauna, steam room and invigorating cold plunges, each therapy guiding your body back to a state of deep relaxation.

Bathhouse Immersion · 2hrs | \$75 Mon - Thurs | \$89 Fri - Sun

5 Sessions: \$399

10 Sessions: \$699

FLOAT THERAPY

Suspended in warm, magnesium-rich water, our float therapy experience removes gravity and all sensory input, allowing muscles to release, the body to align and the nervous system to unwind. Beneath a softly lit ceiling, the outside world fades, leaving only stillness.

Float Therapy · 60min | \$70 Mon - Thurs | \$85 Fri - Sun

5 Sessions: \$345

10 Sessions: \$599

Session passes available to use Mon-Sun

Couples Float Session · 60min | \$105 Mon - Thurs | \$115 Fri - Sun

5 Sessions: \$449

10 Sessions: \$849

Session passes available to use Mon-Sun.

Our float pools are approximately 134cm wide by 220cm long

SPA RITUALS

Experience VELA's curated collection of signature spa journeys, designed to relax the body, refresh the skin and restore your sense of wellbeing.

SIGNATURE SPA JOURNEYS

Arrive · 60min | \$179

A Refined Introduction | 30min Massage and 30min Facial

Your introduction to VELA Spa. A seamless blend of relaxing back, neck and shoulder massage and customised express facial designed to ease you in. Muscles soften, skin is refreshed, and your body begins to unwind without taking your whole day.

Unwind (For Two) · 1hr 30min | \$499

Shared Stillness | Massage and Facial

Designed for connection, this side-by-side experience in our couples' room invites you to unwind together. Enjoy a personalised back, neck and shoulder massage followed by a hydrating facial treatment, sharing a sense of calm while relaxing in your own space, yet together in the moment.

Restore · 2hrs | \$399

Full Body Renewal | Scrub, Massage, Facial, Scalp Massage

A deeply restorative journey designed to renew the body and calm the mind. Begin with a smoothing full body thermal salt exfoliation to revitalise the skin. A short shower rinse, followed by a deeply relaxing massage using cannabis cream provides anti-inflammatory benefits designed to ease tension and restore comfort. A customised facial to restore glow and hydration follows, with a calming scalp ritual completing this immersive experience, leaving you grounded, radiant and restored.

Awaken · 3hrs | \$529

The VELA Signature Ritual | Scrub, Body wrap, Full Body and Scalp Massage, Derma LED Facial

The complete VELA experience designed for your rejuvenation and relaxation.

Your journey begins with a full body antioxidant refreshing exfoliant to deeply rejuvenate and smooth the skin, refining texture and restoring radiance. Your body is then cocooned in a Sapphire mineral wrap infused with natural sapphire particles to energise, illuminate, and restore balance. Followed by a flowing full body massage using aromatic Indian spiced oils and a scalp massage to release tension and reset the nervous system, reconnecting the body and mind. Your experience finishes with a DermaLED light therapy facial to revitalise the skin at a cellular level, enhancing overall luminosity and renewal.

Awaken is a deeply immersive journey for when only the full reset will do.

BODY TREATMENTS

Sensorial body rituals designed to renew, detoxify, and restore. Each experience blends exfoliation, cocooning wraps, and intuitive massage to leave the body revitalised and rebalanced.

BODY RITUALS

Sapphire Infusion Ritual · 1hr 30min | \$259

Deep Exfoliation and Nourishment | Scrub, Body Wrap, Shower, Balm infusion

Our indulgent body ritual, designed to deeply restore, energise, and illuminate. Your experience begins with a full body exfoliation to resurface, smooth, and refine the skin. The body is then cocooned in a luxurious Sapphire Mineral Wrap, infused with natural sapphire particles to stimulate microcirculation, boost cellular energy, and reveal a radiant glow. Following a refreshing shower, and a nourishing balm infused with antioxidant-rich Malachite, a natural copper-rich mineral, known to help protect the skin and restore a radiant glow, is applied with slow, flowing movements. This warming stress relieving treatment deeply nourishes, relieves muscular tension, and restores full body balance.

An immersive, high performance ritual delivering luminous skin, deep relaxation, and a complete sense of renewal.

Mineral Rich Hematite Mud Wrap · 1hr 30min | \$259

Deep Exfoliation and Nourishment | Scrub, Body Wrap, Shower, Balm infusion

Our rich & nourishing mud body wrap, designed to deeply restore, energise, and illuminate from head to toe. Immerse yourself in this opulent experience, beginning with a full-body thermal salt exfoliation rich in magnesium. The skin is then enveloped in a mineral-rich organic Hematite mud wrap, infused with a naturally occurring mineral known for its firming and revitalising properties. This indulgent treatment delivers hydration and repair as the mineral infusion helps tone, refine, and energise the skin, leaving your body feeling smooth, restored, and radiant.

RECOVERY THERAPIES

NovaPRESS Compression Therapy · 30min | \$65

Enhanced Recovery and Circulation | Lymphatic Compression

Experience the restorative benefits of NovaPRESS, a rhythmic lymphatic compression suit designed to support circulation, recovery and overall well-being.

Gentle to firm, wavelike pressure moves through the lower body, stimulating the lymphatic system with precision to encourage the natural removal of excess fluid retention and eliminate toxins. This therapeutic treatment helps reduce the feeling of heaviness, supporting circulation and oxygen delivery enhancing post exercise recovery. Ideal for those experiencing fluid retention, lymphatic congestion, travel fatigue, long days on their feet and the effects of intense physical exercise.

Session Passes

5 Sessions: \$279

10 Sessions: \$499

Session passes are available Mon-Sun

Breathe Oxygen Therapy · 20min | \$45

A Moment To Pause & Reset

Pure oxygen is gently delivered through inhalation to support mental clarity, reduce fatigue and restore energy levels. Perfect for those feeling depleted, overwhelmed or simply in need of a quiet recharge. Treatment performed in our relaxation lounge, best combined with a bathhouse immersion or spa treatment.

Suitable for guests 18+. Medical clearance recommended for respiratory conditions.

FACIALS

Results-driven treatments that combine advanced actives with the luxury of refined spa rituals to restore, refine, and reveal radiant and healthy skin.

Powered by exclusive Tri-Synergy Technology™, thermal energy for deep collagen activation, dermaboost for needleless infusion and LED light for cellular energy. This treatment works across multiple layers of the skin to stimulate regeneration, enhance the delivery of cosmetic drone actives – hydro filler and micro peptides for maximise visible transformation. The result is visibly firmer, smoother, and more radiant skin, with improved tone, texture, and overall vitality.

A high performance, results-driven treatment designed for total skin transformation and long-term results.

Best results achieved with 3 or more sessions

3 Sessions: \$945

6 Sessions: \$1799

Add MEGAN Eye Technology · 45min | \$175

A focused treatment to smooth, brighten and refresh the delicate eye area

Oxygen Infusion Facial · 60min | \$199

Hydrate and Revitalise | Advanced Oxygen Infusion Technology

A results-driven treatment designed to deeply hydrate, plump, and revitalise the skin. Using advanced oxygen infusion technology, a concentrated blend of hyaluronic acid, vitamins, and antioxidants is delivered into the skin to enhance hydration at a cellular level, improving tone, texture, and luminosity. Your treatment begins with and includes your choice of Rejuvenate or Opulence infusion, targeting hydration, radiance, and overall skin health.

For enhanced, corrective results, your therapist may recommend advanced infusion upgrades:

Targeted Boosters \$20

PDRN Infusion (marine-derived regeneration) \$50

Exosome + V Infusion (next-generation cellular renewal) \$50

The result is smoother, firmer, and more radiant skin with a visible plumping effect and healthy glow.

DermaLED Light Therapy Facial · 60min | \$119

Repair and Rejuvenate | Advanced Light Therapy

Experience advanced LED phototherapy, a non-invasive treatment designed to stimulate the skin's natural regeneration processes. Your treatment begins with a welcome ritual, followed by cleansing and exfoliation, before relaxing under LED light for 15 minutes. Using seven targeted wavelengths, this technology works at a cellular level to support skin repair, reduce inflammation, and improve overall skin function. It addresses concerns including acne, post-acne scarring, pigmentation, sensitivity and dullness.

The result is visibly revitalised skin, with enhanced radiance and resilience.

Skin Corrector Facial · 60min | \$179

A multi-corrective, technology-driven facial designed to rebalance, purify, and restore the skin. Using advanced skin infusion technology, combined with ultrasound and sound-wave delivery, active ingredients are absorbed deeper into the skin to boost hydration, clear congestion, and improve overall clarity. This treatment targets common concerns such as dullness, imbalance, and congestion, leaving the skin refreshed, clearer, and visibly vibrant.

A results-focused facial ideal for maintaining skin health and addressing everyday skin concerns.

Microdermabrasion · 45min | \$119

Resurface and Refine | Advanced Exfoliation

A results-driven resurfacing treatment designed to smooth, refine, and revitalise the skin. Using advanced microdermabrasion technology, this treatment gently exfoliates the outer layers of the skin to remove dead skin cells, unclog pores, and improve overall texture and tone. Ideal for addressing concerns such as dullness, uneven texture, congestion, and mild pigmentation. It works to reveal a brighter and more refined complexion.

Skin is left polished, refreshed, and visibly renewed, with enhanced clarity and radiance.

MASSAGE

Our expertly tailored massage rituals are designed to ease tension, improve circulation and restore balance to body and mind

Relaxation Massage · 60min \$179 | 1hr 30min \$249

Slow, flowing movements designed to release tension and settle the nervous system. You will leave feeling calm, grounded and relaxed.

Aromatherapy Massage · 60min \$189 | 1hr 30min \$259

A sensory experience using signature VELA aromatherapy blends. Choose between grounding warmth or uplifting clarity. Each blend is designed to influence mood while deeply relaxing the body.

Candlelight Ritual Massage · 1hr 30min | \$269

Warm oil from a softly melted candle is used to massage the body, delivering deep nourishment to the skin while easing muscular tension. A calming, indulgent experience. The candle is yours to keep, for continued indulgence at home.

Nurture Massage (Maternity) · 60min | \$179

A gentle, supportive treatment designed for expecting mothers from the second trimester, with careful positioning and tailored techniques for your comfort and safety.

Please seek medical advice for your specific needs
