## HOUSE BREWS

We are now firmly in the grip of the craft beer revolution. Hops haven't seen this much radical creativity for decades

### BROOKLYN BREWERY (US)

#### BROOKLYN LAGER

Bitter, happy and refreshing

Brooklyn Lager is a flavorful beer, smooth, refreshing and very versatile with food. Amber-gold in colour, it displays a firm malt center supported by a refreshing bitterness and floral hop aroma as well as a caramel malts finishing. The aromatic qualities of the beer are enhanced by dry-hopping.

.....

### BREWDOG (UK)

#### PUNK IPA

Brewdog's flagship product

Punk IPA is layered with new world hops to create an explosion of tropical fruit and an all-out riot of grapefruit, pineapple and leached before a spiky bitter finish. This is transatlantic fusion running at the fences of lost empires. Nothing will ever be the same again.

.....

### WHYCHWOOD BREWERY (UK)

#### HOBGOBLIN GOLD

A great representation of an English Ale

Pale golden with orange glints, this beer is forged from the finest British hops and varieties gathered from the far-flung shores of the Pacific. Prepare for an intense tropical explosion of zesty oranges, grapefruit, honey and juicy bitterness. Multiple winner of GOLD World Beer Awards.

.....

### GOOSE ISLAND BREWERY (US)

#### GOOSE ISLAND MIDWAY

The Goose has landed!

Midway is our session IPA, a well-balanced beer, lower in alcohol but still packed full of tropical hop flavor. It's Midway to an IPA, with all the hop flavour but easier drinking. You can expect fresh, punchy aromas of mandarin, melon, and pink grapefruit. It has a subtle grainy malt character with a light body with a balancing bitterness on the finish.
