MEETINGS AND EVENTS

Our hotel and corporate teams continue to work exceptionally hard to manage the impacts of the Covid-19 outbreak, and our primary focus is of course the health and wellbeing of all our guests and colleagues.

As the world adjusts to new travel norms and expectations, our customers face new challenges when it comes to organizing group travel. Providing a clean experience with the wellbeing of every guest in mind is now more important than ever, especially when hosting meetings and events.

MEETINGS AND EVENTS

We want to provide our customers with the necessary confidence to place their future groups and meetings business in our hotel. To accomplish this, we're excited to introduce IHG's enhanced Meet with Confidence Program*, our commitment to making sure every event is just right.

That means high levels of cleanliness, clutter free event spaces and an experience that supports the wellbeing of your attendees.

MEETINGS AND EVENTS

We will deliver meetings and events including food and beverage service in accordance with current local food safety and government regulations. We will communicate with you ahead of time to ensure you are aware of everything that is and isn't included with your meeting and to ensure it fits your needs.

Good isn't good enough – we're committed to high levels of cleanliness. That means clean, well maintained, clutter free rooms that meet our standards.

Thank you!
