TESTIMONIALS

“THE DAY WAS AMAZING”

“We just want to take the time to say thank you so very much for absolutely everything you did for us, not just on the big day, but putting up with all our emails back and forth with us being so far away and putting us in touch with the decor people, and getting Phil his karaoke lol! We were able to put all our trust in you knowing you would help everything run smoothly and get everything organised. We also would like to thank you for your hard work rallying everyone together and being on-hand during the day and evening. We couldn't have expected anything better for our magical day you truly are amazing at your job. Thank you, from Kelly and Phil xx”

“It has been a long year of planning and you have been fantastic in helping us to organise our party and achieve our goals for the evening. Compliments personally from myself and Jessica to the chef and catering team. All in all, I cannot fault a single thing from our party. I honestly feel the service has been amazing and I genuinely believe that we would not have had similar or better service anywhere else including the Hilton or Marriot. I will endeavour to recommend the Hotel to all of my friends and family in the future and I honestly wish you guys all the best as you are currently a hidden gem!”

“Just wanted to say a massive thank you for all that you did on the lead up to the wedding. We couldn't have done it without you! You made everything so easy and nothing was too much for you. The day was amazing and everyone loved the venue.”
