

## PET POLICY

Alright, pup! Here's the deal:

-  You're welcome to stay at our hotel for just £20.00 a night, and your human will need to pay a £30.00 deposit for your stay. But remember, only one of you can stay in each room, so no doggie roommates, okay?
-  Your human will need to tell us ahead of time if you're coming along.
-  Your human should bring your bed, your water bowl, your food dish, and maybe a towel for when you get muddy (we don't mind if you're a little messy).
-  We do ask that you keep off the beds and furniture—don't worry, the floor is great for naps too.
-  And your human shouldn't leave you alone in the room, we know how much you love company!
-  While you're exploring, please stay on a lead.
-  You'll be able to visit a special dog-friendly dining area near the reception desk, but no dining with your human in the restaurants (Platform 9 and Marco's New York Italian are off-limits for pups).
-  Be mindful of other guests and visitors—they might not be as dog-crazy as your human, so be polite and don't approach anyone without permission.
-  If you cause any damage (we know you wouldn't, but just in case), your human will need to take care of it.
-  And by the way, Guide Dogs and Assistance Dogs are exempt from this policy, they have their own special rules!

*Have a Pawsome Time!*
