

The Perfect Day in Kelowna

Thank you for considering The **Holiday Inn Express & Suites Kelowna – East**. We hope you choose to stay with us and create unforgettable moments along the way. We've got countless suggestions on how to spend the perfect day, but here are a few of our favorites to get you started.

Day 1:

Reward your soul with an inspiring half-day trip to Myra Canyon - This highly-scenic portion of the Kettle Valley Railway (KVR) runs along a steep-walled canyon. Originally built by hand at the turn of the last century, this impressive landmark is highlighted by 2 tunnels and 18 trestle bridges that are too spectacular for words. You can hike it.

Have Lunch at The Historic Train Station Pub - Since 1926 The Train Station has welcomed newcomers to Kelowna and seen friends and family reunited. Nothing's changed, except that we now offer great food, craft beer on tap, and Okanagan wine. The Train Station is a Kelowna Pub known for its comfortable food, hearty burgers, and fresh, healthy salads. The Train Station Pub fosters an environment that is friendly, connected, and authentic to downtown Kelowna. Visiting The Train Station Pub, you know you've arrived.

Spend the afternoon at Tugboat Beach - Sandy beaches, beautifully landscaped gardens, washroom facilities, paddle boat rentals and boat launches. Close to restaurants, shopping, nightlife, as well as live music on the Waterfront Park Island Stage during summer months. Although on-leash dogs are permitted on the boardwalk and walkways, dogs are not permitted on the beach

Day 2:

Putt-er about - It's a given: everyone loves a game of mini-golf – especially the younger kids who can score an ace even as mom and dad struggle with the windmill. Visit 19 Greens Putt & Play Zone – just across the William R. Bennett Bridge in West Kelowna – for a challenging game of mini-golf on either natural grass or Astroturf. In Kelowna, stop at Scandia Golf and Games and add an arcade, bumper cars and a batting cage to the fun.

Scale to new heights - the reward for a climb to the top of Knox Mountain is an incredible vista that includes Okanagan Lake, downtown Kelowna and sky and mountains that seems to go on forever. Yeah, we understand the big kids are going to grumble about a long hike, so relax—you can drive most of the way to the top, grab the picnic basket and walk five minutes to the viewpoint.

Obsessed with local ingredients and unique flavour profiles - Parlour is proud to be the only place in Kelowna hand crafting premium ice cream on site. We've partnered with other locals to bring out the best of the Okanagan in our ice cream collection. With everything from Lavender to Birthday Cake we've got something for everyone. Try it in our fresh house made waffle cones - you won't regret it! Find us downtown Kelowna right across from City Park.
