

# Fall for Niagara-on-the-Lake & Beyond

Discover the magic of autumn in Niagara-on-the-Lake, Niagara Falls, and the surrounding wine country. Crisp air, vibrant leaves, and golden sunsets make fall the perfect time to explore one of Canada's most charming destinations — and our hotel puts you right in the heart of it all.

## See the Colours of the Season

Take in breathtaking fall foliage along the Niagara Parkway — voted one of the most scenic drives in the world. Wander through Queenston Heights Park or enjoy peaceful trails at Short Hills Provincial Park, where maple and oak trees explode with autumn colour.

## Sip & Savour Harvest Season

September and October are harvest time in Niagara wine country. Stroll through picturesque vineyards, enjoy wine tastings and icewine samples, or hop on a guided winery tour. Local craft breweries and cider houses also serve up seasonal flavours perfect for a crisp fall day.

## Festivals & Local Events

- Niagara Grape & Wine Festival – Celebrate the harvest with tastings, parades, and live music.
- Shaw Festival – Enjoy world-class theatre in a cozy autumn setting.
- Pumpkin Patches & Farmers' Markets – Fresh pies, local produce, and family fun.

## Niagara Falls in Autumn

The Falls are spectacular year-round, but fall offers smaller crowds, cooler air, and stunning backdrops of colour. Don't miss:

- Journey Behind the Falls – Get up close to the thundering water.
- Niagara SkyWheel – A panoramic view of autumn leaves.
- Evening Illumination – Watch the Falls glow under the night sky.
