At Holiday Inn Express Singapore Clarke Quay, sustainability is more than a commitment - it's part of how we operate, engage, and grow. This handbook highlights the steps we've taken and the initiatives we continue to build on, as we work towards creating a greener, more responsible future in hospitality.

From energy efficiency to community care, every action - big or small - plays a part in shaping a better tomorrow.

Because sustainability isn't a destination - it's a mindset we live by.
