We're not your typical pizza joint. Inspired by our roots and the famous tales of our hometown, Wood Chipper Pizza Co. brings a slice of the Midwest flavor with a fresh, local twist.**

**Here, every pizza starts with high-quality ingredients and ends with that irresistible, oh-so-North Dakota taste. Whether you're a purist who loves a classic, or a homebody at heart, you'll find something that hits the spot. Our Traditional Pizzas are loaded with bold flavors that keep it simple but never boring, while our Comfort Pizzas serve up a warm, nostalgic bite – just like mom used to make.**
