## Canada Women's Soccer Team

*A fantastic stay. As you can imagine, we stay in a lot of hotels all over the world and this was way up there. The property is great. Staff were so accommodating with our ever evolving needs, food was very good...I've been singing your praises to the FA."*

## Director of Administration, Academy | New York City Football Club

*This is our second year in a row staying at the Holiday Inn Manchester City Centre and both times we have had a fantastic experience. The hotel's location, value for money, quality of food and beverage and fantastic staff all made us feel at home while travelling internationally. The team were very flexible in last minute requests and the accommodations were first rate. We doubled our group this year, and the property was able to seamlessly accommodate our larger group no problem. We look forward to staying at this location again in future trips to the Manchester area.*
