

# WEDDINGS AT HOLIDAY INN MANCHESTER CITY CENTRE

# CELEBRATE LOVE MANCHESTER STYLE

Our Manchester themed hotel was purposely built in 2016 and embrace's the spirit of the famously celebrated Manchester music scene.

Our vibrant spaces are all named after Manchester's favourite musicians and of course the legendary nightspot The Hacienda.

With modern artwork and quirky lighting, the hotel is ideal for couples looking for a wedding that's a little more contemporary.

Leading directly off the open event space, our Canalside Terrace boasts outdoor lighting, heating, speakers and ample seating, offering the ultimate city vibe.

You can even take your wedding theme outdoors and light up our hotel in your chosen colours!
