Booking conditions

From a number of people of 10 people, the room rental is included in the specified conference packages. For meetings with less than 10 people, we charge the conference fee per person plus the corresponding room rental.

The conference packages are only bookable as described in the respective package.

For individual packages we will gladly make you a customized offer.

The basis of calculation for all lump sums is the number of persons registered on the last day of voting, at the latest 3 days before the event. The terms and conditions for events are the basis of this offer. All prices are per day of the event, including service and VAT.
