

Catering & Ballrooms

Tony's Too, The Holiday Inn Quincy's on-site restaurant, specializes in weddings (we've catered more than 700 receptions over the last 26 years), business meetings, conventions and family functions.

Tony's Too is a custom caterer. We create menus for each party based on their particular taste, party size, desired products, service levels and budget. Our menu items, preparation methods and variety of service options combine for practically unlimited possibilities. We cater from small (30 people) to large (3200 people) so we have the capability to handle just about any request on food and service. Our menu creation is custom to each party, while our pricing is extremely competitive in our market.

Our full ballroom rental is \$2000 for Saturday nights (half price on Fridays) during peak season, and reduced for off season events. This rental includes everything you might need for a reception, meeting or gathering except food, beverage and decorations: set up, clean up, rectangle or round tables, linen tablecloths and skirting, portable dance floor, up to two portable bars, three drop down screens with projectors, stage for head table risers, decorative tool and drape on the columns, wireless microphone and podium, cake cutting service, etc.

Additionally, use of our private dining room, The Lake Room can be included with most packages for rehearsal dinners, brunch, gift opening or smaller gathering.

IHG Rewards points are available for every dollar spent (guest room rental, ballroom rental, food, beverage, etc) that can be used for future travel awards and hotel rooms.

Call or email our Banquet Manager Patrick Schrecke with any questions, to set up a property tour or meeting at 217-223-7800 or patricktonystoo@hiquincyest.com.
