酒店四樓右側為會議與宴會空間，配合酒店設計概念，命名為「窯」、「磚」、「瓦」與「舟」。其中「磚」、「瓦」兩廳可合而為一，以彈性的空間運用設計，提供中小型會議與宴會場地，無樑柱設計也適合小型派對婚宴。

On the right side of the hotel's fourth floor, you will find meeting and banquet spaces named "Kiln," "Brick," "Tile," and "Ark," reflecting the hotel's design concept. The "Brick" and "Tile" halls can be combined into a single larger space. Our exquisite banquet venue is also perfect for hosting elegant and stylish weddings.

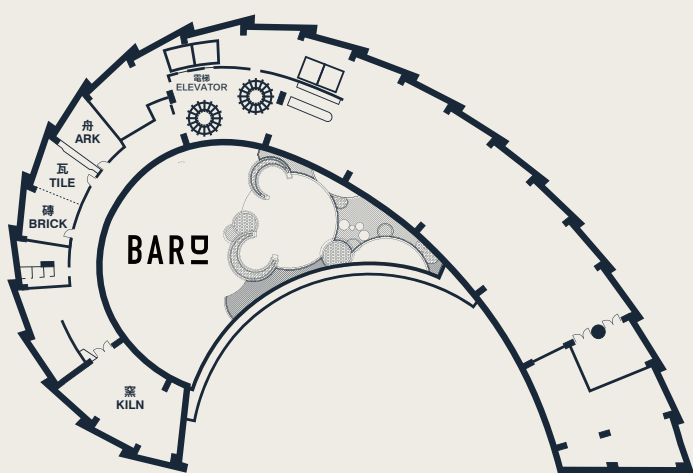

BAR DI 酒吧設計呼應地理與人文風貌，低調而富有層次感彷彿置身於私邸招待所，賦予賓客隱密的餐酒體驗。可自由彈性搭配室內會議場地、多功能會議廳，成為各大品牌發表、戶外婚宴、商務會議的首選場地。

The design of BAR DI echoes the local geography and cultural landscape, creating a subtle yet layered ambiance reminiscent of a private residence lounge. It offers guests an intimate and exclusive dining and wine experience while seamlessly connecting to the indoor conference room and the multi-purpose hall, making it an ideal venue for brand launches, outdoor wedding parties, and business conferences.
