***'The history of York IS  
the history of England!'***

Winding through the many medieval streets clustered around the mighty gothic Minster, it is easy to imagine the many hundreds of people who have made this city their home – the Romans, the Vikings and the monastery dwelling monks who created the beautiful Abbey ruins.

Hotel Indigo York offers guests bespoke guided tours of the medieval city and spectacular landscapes beyond with its own in-house guide and Yorkshire specialist, Sarah Cowling.

Keen to share her passion for 'God's Own Country', Sarah, a Yorkshire Lass by birth and Blue Badge Guide, creates exclusive and bespoke city walking tours focusing on York's historic roots, the splendour of York Minster or its famous chocolate story. Her tours bring to life the people, places and spaces that have made York the vibrant city it is today.

The entirely bespoke tours are available year-round and start from the hotel reception.

Two-hour and four-hour trips are available to discover the 'off the beaten track' side of York, starting from **£100 per group** (guests within a single hotel booking).

To book your bespoke tour whilst staying with us at Hotel Indigo York, please contact Sarah directly with your preferred date and time. To obtain the exclusive rate, please mention you are staying with us at Hotel Indigo York. Be sure to include any tour preferences at the time of booking and do let Sarah know how you heard about her walking tours too.
