The background of the entire page is a photograph of a modern hotel lounge. In the center, there is a long, low-profile fireplace with a warm fire burning inside. Two large, light-colored upholstered sofas are arranged around a white coffee table. The room has a high ceiling with several long, vertical, cylindrical pendant lights hanging from it. Large windows with white curtains are visible on the left side. In the foreground, there are two potted plants, one on the left and one on the right, both in clear glass containers. The overall atmosphere is bright and contemporary.
