Our RESORT EXPERIENCE

Famed architect Bill Bensley has woven his magic throughout every space at InterContinental Danang. The result is a design masterpiece that cascades down four levels through a rain-forested slope to a 700-m private beach – all linked by a funicular tram. Climb spiral staircases, hide away in intimate niches, or gaze at the stars as you lounge around a beach bonfire. Wander through our tropical gardens or be mesmerised by the flora and fauna surrounding you. Let our expert team create the perfect celebration for you – and your guests.

"Spread over a private cove on Danang's Sun Peninsula, the resort is a dream... built vertically up a lush cliff, [it] gives virtually every room unobstructed views of the private beach."

SEBASTIAN MODAK, THE NEW YORK TIMES

Our hilltop events venue commands sweeping views of the mountains and lagoon, and offers a range of beautiful possibilities for you, from a lavish ceremony to lively cocktail receptions. Our Reception Hall is of particular note: it is a symphony in white, a most spectacular space for an unforgettable event.
