- Royal Residence
- Grand Salon & Grand Dining Room
- Presidential Residence
- Residence

The entire 18th floor, including 8 Superior Rooms & 1 Executive Room can be privatized.

RESIDENCE

650 m²

The Imperial Residence is poised to be the epitome of excellence. Behind grandiose doors of equal stature to those of the Versailles Palace, the Residence offers the charm of the opulent palaces of the past.

Designed by famed New York architect Tony Chi the Residence includes the Presidential and Royal Residences, the Grand Salon with its fireplace and the Grand Dining Room including 2 fully equipped kitchens.

The Residence is Geneva's higher and bigger suite. With its exclusive, enriching and inspiring settings it offers the perfect vantage point for visionaries to see beyond the horizon. The entire floor, including an additional 8 Superior and 1 Executive Room, can be entirely privatized.

During the stay every need is discretely and efficiently anticipated by a private butler for the best possible experience.

RESIDENCE GRAND SALON AND GRAND DINING ROOM

110 m²

The Grand Salon and Grand Dining Room represent the uppermost location for exceptional and unforgettable receptions and dining occasions.

Designed to be a true sensory indulgence, the Grand Salon's dramatic landscape backdrop, the finest tailor-made furniture, the amazing fireplace and the leader bar adorned with accessories by Ralph Lauren, offer the perfect setting to unwind.

The Grand Dining Room black-wood dining table, welcoming up to 12 guests, sparkles with the most beautiful Christofle silver cutlery and Bernardaud porcelain.

Here guests savour a cuisine based on the quality of our local products, some of which are handpicked by our chef at the neighbouring Budé Farm.
