

WELCOME TO CLIPPER BAR

It's time to feel alive, to savour every moment and
explore new discoveries.

Intoxicated by breathtaking panoramic skylines, we invite guests to experience a taste of the InterContinental London - The O2, sipping sensational cocktails and savouring our Clipper Bites, as the urban landscape transforms from silver and blue into mesmerising black and gold at night.

The Clipper Bar takes its name from the fast sailing ships of the 19th century. Did you know that the Clipper ships once navigated the world's major trading routes, carrying luxurious goods such as gold, opium and herbal teas across the East and between the North West?

It was in our very own East India Docks here in London, that the Clipper boats would return carrying fragrant and herbal tea.

Whilst gazing out onto the glistening waters, we encourage you to explore our menu, starting with signature cocktails inspired by some of the trading routes.

There's something for everyone to discover...

FORTIFIED WINES

The house of D'Oliveira was founded in 1850 and is one of the finest sources for specially aged Madeira wines. The company remains a family business to this day and their selection of single varietal Madeira wines date back to their founding year of 1850; the height of trading for the Clipper boats. All wines have been cask aged in the ancient cellars of D'Oliveira from 1619 and were bottled in the 1970's.
