HEALTHY EATING

Your body relies on a constant supply of energy to function well and after sleeping for 6 to 10 hours, breaking the fast provides a boost of energy in the form of food. Breakfast is essential in providing your body with vital nourishment for the day ahead and kick start the body's metabolism, digestion and the brain into action.

Eating breakfast has been proven to improve concentration, mental performance, memory and mood, as well as in maintaining long term weight loss and reducing the risk of obesity and insulin resistance.

A good breakfast includes complex carbohydrates, which are slow to release energy and provide vitamins, minerals and fibre.

White Wines (SAUVIGNON BLANC) Cederberg An aromatic Sauvignon Blanc with a combination of tropical, citrus and green aromas. Aromas of gooseberries, guava, lemon zest with hints of asparagus and green fig.	K1,300	Hoopenburg A medium-bodied palate followed by round, soft but firm lingering tannins. This soft and palatable wine pairs well with a variety of red meats, cold meats and carpaccio. It is great with pasta dishes. Meerlust	K1,500 K3,100
Paul Cluver A combination of passion fruit, black currant and grapefruit on the nose with hints of mineral notes. The expression of the nose follows through to the palate, passion fruit, gooseberry, but with great salinity, complexity and length. The wine is fresh, with great balanced acidity and a lingering finish.	K1,550	This wine has Fragrant red berries with hints of violets and mint chocolate, Black cherries and plums layered with vanilla spice, cloves and cedar oak ending with a soft, velvety finish. International Wines	
Plasir Fresh, full and rich with flavours of tropical fruit and nettles in the initial flavour. This follows through fresh tropical flavours of passion fruit, pineapple and	K1,050	Chateau La Fleur It has a complex and elegant nose with aromas of black cherry, plum, and cassis, as well as hints of cedar, tobacco, and truffle.
