

# THE WEDDING Collection

## BANQUET GENERAL INFORMATION & REQUIREMENTS

## WELCOME

The InterContinental Minneapolis St. Paul is delighted to offer the following menus for your review. These menus are guidelines designed to assist you in selecting a menu for your event. Our experienced team of culinary professionals would be happy to prepare custom menus should you so desire.

#### **SERVICE CHARGE & TAXES**

All food, beverage, and miscellaneous fees quoted are subject to a taxable 24% service charge & 7.525% sales tax on food. Liquor is subject to a 10.025% tax. Prices are subject to change. No food or beverage may be brought into the Hotel without advance permission from the Hotel.

#### FOOD & BEVERAGE MINIMUMS

Group is expected to produce a minimum food and beverage revenue as determined By the Catering Sales Manager. Minimum does not include room service, restaurant and bar usage, room rental, service charge, taxes, labor fees, audio visual, parking, or any other miscellaneous charges incurred. Any cash bar purchases will apply. If minimum revenue is not produced, the difference will be reflected and charged as room rental.

#### DEPOSITS

The Hotel requires a 25% deposit due with the signed contract. A series of further deposits will be due leading up to the event and the final payment of the full estimated balance will be due three business days prior to event.

#### **MENU SELECTION**

To assure the availability of menu items, your selection must be submitted to your Catering Sales Manager three weeks prior to your scheduled event. Pricing and availability subject to change.

#### **GUARANTEED HEADCOUNT**

Your final attendance must be specified with breakdown of entrees and special dietary restrictions, by 10:00 AM three business days prior to event. This number is considered your guarantee and is not subject to reduction. Any additional increase in a meal guarantee less than 24 hours ahead of the event will be subject to availability and may come with an additional per person charge. If a guarantee is not provided on the date it is due, the most recent count will be used.

## BANQUET GENERAL INFORMATION & REQUIREMENTS

## FOOD AND BEVERAGE

Guests may not remove any food or beverage from the premises nor consume food and/or beverages supplied or prepared by another party without the hotel's written approval. For ethnic weddings that require specialty cuisine that the Hotel cannot otherwise prepare, your Catering Sales Manager can provide a list of approved caterers.

## **BAR SERVICE**

Bar service will conclude at least 15 minutes prior to 12:00am or contracted end time with last call occurring thirty minutes prior to bar closing. Persons under the age of 21 are not permitted to purchase or consume alcoholic beverages. All guests are subject to identification checks. Please inquire about our full wine list to compliment your meal.

## **TASTINGS**

A complimentary tasting is included in your wedding package. This can be scheduled 90 days prior to your wedding. Food tastings are scheduled Monday through Friday between 1:30 PM – 4:30 PM and include a sampling of hors d'oeuvres, salads, entrees and desserts.

## COAT CHECK

We are pleased to offer both attendant and self-serve coat check options. Pricing available based on guest count and event length.

## **AUDIO-VISUAL EQUIPMENT & CEILING HANGING**

Encore is our on-site, audio-visual provider, and has a dedicated staff of professionals available to assist you. They can provide an extensive range of audio-visual services, including sound, lighting systems, and video production. Encore has exclusivity when hanging items from the ceiling or rigging points. This must be scheduled in advance and, depending on the labor and equipment involved, a charge for this service will apply.

## **ENTERTAINMENT & DÉCOR**

The ambiance of your function can be enhanced with flowers, music, and specialty items. We have a wide range of recommended vendors for these services. Once you have selected your vendors, kindly supply us with their information so that we may assist them in servicing your needs. All deliveries must be coordinated through your Catering Sales Manager and come through the loading dock. The Hotel does not permit the affixing of anything to the walls, floors, windows, or ceiling, nor the use of balloons, bubbles, glitter, or confetti throughout the property.

## SECURITY

The InterContinental Minneapolis – St. Paul will not assume responsibility for damage or loss of any merchandise or articles brought into the Hotel or for any item left unattended. With advance notice, your Catering Sales Manager can assist you in arranging for dedicated Hotel security officers for your event. Due to fire regulations, the use of pyrotechnic and smoke machines are not permitted on Hotel premises.

## PARKING

We are pleased to offer discounted daily parking rates for guests attending your event. Self-parking is available at an overnight rate of \$5.00 in our convenient ramp adjacent to the hotel. Valet parking is available at \$15.00 per car. Guests should see Front Desk prior to leaving for discounted rate or parking can be added to the Master Bill if desired.

#### DAMAGE

As a patron, you are responsible for any damages done to the premises or any other part of the Hotel during the period of time your guests, employees, independent contractors, or other agents are under your control, or the control of any independent contractor hired by you. The Hotel requires a certificate of insurance from any subcontractor(s) or agent(s) you engage providing adequate financial responsibility in the event of loss or damage to the Hotel property. As such, the Hotel shall be named as additional insured on any certificate of insurance.

## BANQUET GENERAL INFORMATION & REQUIREMENTS

## SIGNAGE

Pre-approved signage is permitted in foyer and in private function areas. All signs must be professionally printed. Signs are not permitted in the hotel lobby, on guest room levels, in elevators, or around the building exterior. Any signs must be freestanding or placed on an easel. Your Catering Sales Manager can provide directional signage for lobby to help guide guests if necessary.

## **FUNCTION ROOMS**

Your function rooms are assigned based on the number of guests that are expected to attend the function. The Hotel will set no more than 3% over the guaranteed number of attendees. A significant change in the final number of guests to attend the function may result in the moving of your function to alternate space better suited to the size of the function.

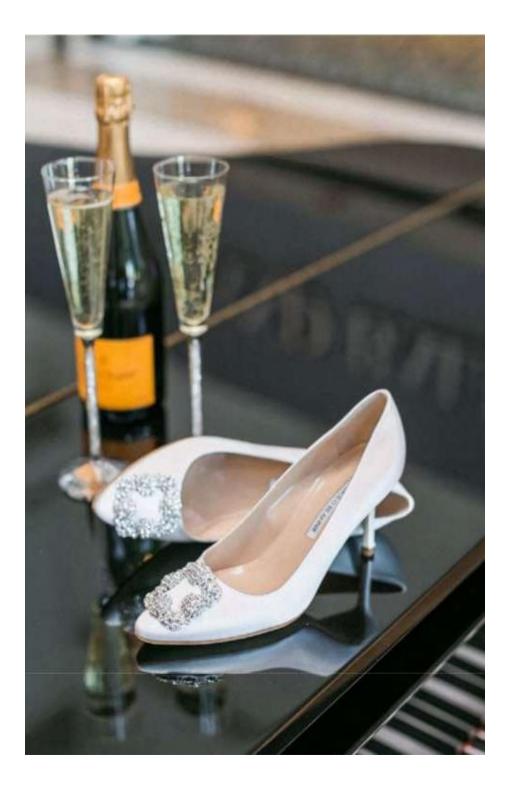

## **CEREMONIES AND ADDITIONAL SERVICES**

We would be delighted to host your ceremony onsite. With 30,000 square feet of event space, the Hotel has several options, including our Altitude Sky Lounge, which overlooks the runways and both Twin Cities. The ceremony fee includes the setup of theater style chairs with a center aisle for \$500. Based on availability, we do suggest a rehearsal the evening prior to your wedding.

There are several unique event spaces throughout the hotel that provide an ideal atmosphere for your wedding shower, rehearsal dinner, or gift opening brunch. Please inquire with your Catering Sales Manager for more details.

## **GUEST ROOM BLOCKS**

Being directly connected to Terminal I at the Minneapolis St. Paul International Airport, we are the perfect location for out-of-town guests. Specialty room rates are available depending on your chosen date and the number of rooms requested. As a courtesy, the Hotel will hold up to ten rooms per night over your event date/s with no financial commitment. Arrangements can be made for a larger group room block if needed. We will create a personalized booking link to share with your party so that guests can easily make reservations online at the negotiated rate.
