

## FURRY FRIENDS ARE WELCOME

We are excited to welcome your four-legged furry travel companions to the resort.  
Our “Paws & Pillows Program”

Starts right from check-in and gives pets all sorts of perks with gourmet treats, plush sleeping accommodations, and an introduction to our Pets Program Attaché team that can help ensure your traveling companion is well taken care of.

Our Garden and lakes with lush tropical foliage and trees is an ideal pet photography space to create stories and share on social media.

There is no better way to make your four-legged friends feel special. Our Front Desk Team is also happy to provide information regarding pet sitting and the indulgent shopping and pet salon in Khao Yai.

The resort allows dogs up to 14 kgs, and cats, ensuring they must remain on a leash and under supervision in the resort’s public areas at all times.

## PET FRONT DESK TEAM

The Resort’s Pet Front Desk Team can guide you to a dog walking route in the resort and connections to the best pet walking areas, park, and local pet-friendly cafes and restaurants. For additional pet pampering or dogs, our team can connect you with the dog salon services near the resort.

## AFTERNOON TEA

Feel free to bring your furry friends to our outdoor areas in the tea carriage and restaurants. We offer a special menu just for them to enjoy alongside you. To reserve a seat, please contact our pet front desk team or dial ‘0’ from your room telephone.
