OUR HOME

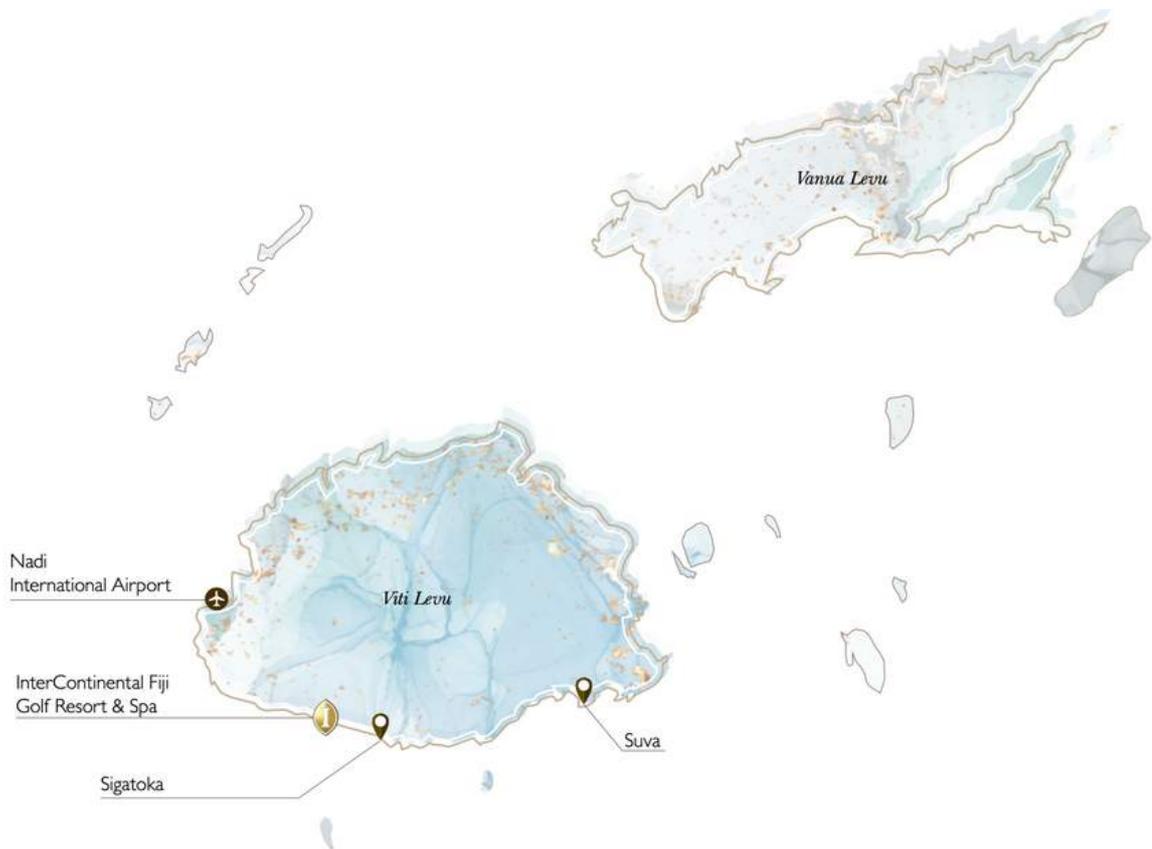

THE FIJI ISLANDS

The idyllic islands of Fiji, with their palm-lined white sandy beaches and sheltered lagoons amid the deep-blue waters of the South Pacific, provide the perfect backdrop for an unforgettable corporate event.

InterContinental Fiji Golf Resort & Spa is located on Fiji's main island of Viti Levu, a trans-Pacific aviation hub with year-round connectivity between Australia, New Zealand, North America, Asia and other Pacific islands.

It's believed Viti Levu was first settled more than 3,500 years ago by the chief Lutunasobasoba and his followers. Indigenous Fijians are descendants of these adventurers, sharing this chain of beautiful islands with a melting pot of Indian, Polynesian, Chinese and European cultures. Host your event at InterContinental Fiji Golf Resort & Spa and you can tap into a wealth of authentic, enriching cultural experiences. Introduce your delegates to fresh perspectives as they delve into the intricacies of Fiji's languages, cuisine, belief systems, architecture, arts and crafts, music and dance.

There's a wide range of activities for your event attendees to enjoy, both within the resort and its surrounds. Channel the competitive spirit of your delegates into a round of golf at Natadola Bay Championship Golf Course. Let traditional Fijian healers pamper them in our serene spa. Or venture beyond the resort to engage with nearby communities – welcoming locals will reward your delegates with warm smiles and friendly faces, making them feel right at home.

INSIDER COLLECTION

THE INTERCONTINENTAL INSIDER COLLECTION

Memorable meetings & events with authentic local flavour is the inspiration behind the InterContinental Insider Collection.

It is a range of services our planners can choose to add to any meeting, incentive, event or conference. These experiences are carefully designed to ensure each event is firmly rooted in its location & has a tangible sense of place. The options are limitless, but what is constant is the provision of rich local knowledge, professional service and the reassurance of an enriching and rewarding delegate experience.

INSIDER COMMUNITY

Engaging with local communities is the most intimate way to understand and appreciate a destination – and help foster team cohesion. The InterContinental Fiji Golf Resort & Spa team has developed strong local relationships over the years and can recommend community projects that are suitable to incorporate into your event. Both your delegates and the local community benefit from these interactions, and through often highly emotional experiences can form memorable bonds and achieve positive impacts.

INSIDER BREAKS

With our Insider Collection offering, even our tea breaks are fulfilling experiences. From serving up a tempting lunch of traditional dishes to creating a buzz in breaks with delicious, fun snacks that convey a sense of place, we help delegates connect with each other and elements of the local culture. We deliver a selection of innovative tea breaks featuring treats prepared with local produce, such as honey tarts with honey sourced from our farm, and shots of kokoda (a traditional Fijian marinated raw fish dish that's similar to ceviche).

INSIDER SPEAKERS

By sourcing inspirational speakers with local knowledge and cultural ties to Fiji, delegates discover unique insights that make their events one to remember. Speakers include Professor Paul Geraghty, or our Marine Biologists who lead guests on a journey to discover the history, culture and customs of Fiji.

INSIDER INTERACTIONS

Team-building experiences help delegates connect with each other while discovering the unique wonders of Natadola Bay. Each experience, whether based on-site or off-site, offers an original way to engage delegates and motivate them to build effective working relationships. Popular activities include masterclasses in making kokoda (a ceviche-like dish of marinated raw fish, lime and coconut cream) and conducting sevusevu, a welcoming ritual using kava.

INSIDER LOCATIONS

The InterContinental Fiji Golf Resort & Spa team can show your guests a side of Fiji that tourists rarely see. We can suggest an exclusive mix of authentic venues and experiences to suit any type of meeting or event. Our favourite locations include the beachfront and fire pit in front of the resort's Kama Lounge and the stunning fourth hole at the Natadola Bay Championship Golf Course, an exclusive beachfront location that's the perfect blank canvas for your creativity.

SPA INTERCONTINENTAL

While some delegates will want to head straight to the neighbouring championship golf course, others may like to spend their down time at the award-winning Spa InterContinental. This haven of peace and relaxation, which was crowned Fiji's Best Resort Spa at the 2022 World Spa Awards, is ideal for group bookings and for pampering partners while delegates are attending conference sessions.

Your guests can choose from a wide range of spa experiences drawing on our traditional Fijian massage techniques combined with Asian, Eastern and Western treatment methods to bring balance to mind, body, and soul. Our spa treatments also utilise fresh native herbs and plants that have long been used for their healing properties to provide a quintessentially Fijian way of relaxing. These treatments are delivered with the caring touch of our qualified therapists, making a visit to Spa InterContinental an essential part of a stay at the resort.

Guests are invited to unwind in the spa's Wai Zone, which is included in the price of their treatment. Named for the Fijian word for water, the essence of life, this pre- and post-treatment area offers aqua therapy utilising water in each of its three states. The steam room employs the nurturing power of the gaseous state of water; while the hydrotherapy jacuzzi harnesses the rejuvenating force of liquid water; and Fiji's first ice room incorporates the stabilising properties of frozen-solid water.
