As well as guaranteeing your wedding will be the only one on your chosen day, the InterContinental Fiji Golf Resort & Spa team draws on its extensive experience in planning weddings of distinctive sophistication and taps into a global pool of expertise to make your dreams a reality.

We'll work hard to earn your trust so that when you arrive at our beachside sanctuary, you'll know you can relax, spend precious time with your partner, family and friends, and take the opportunity to soak up the idyllic surroundings. And, of course, create memories to last a lifetime as you walk down the aisle in a tropical paradise.

The Fiji Islands

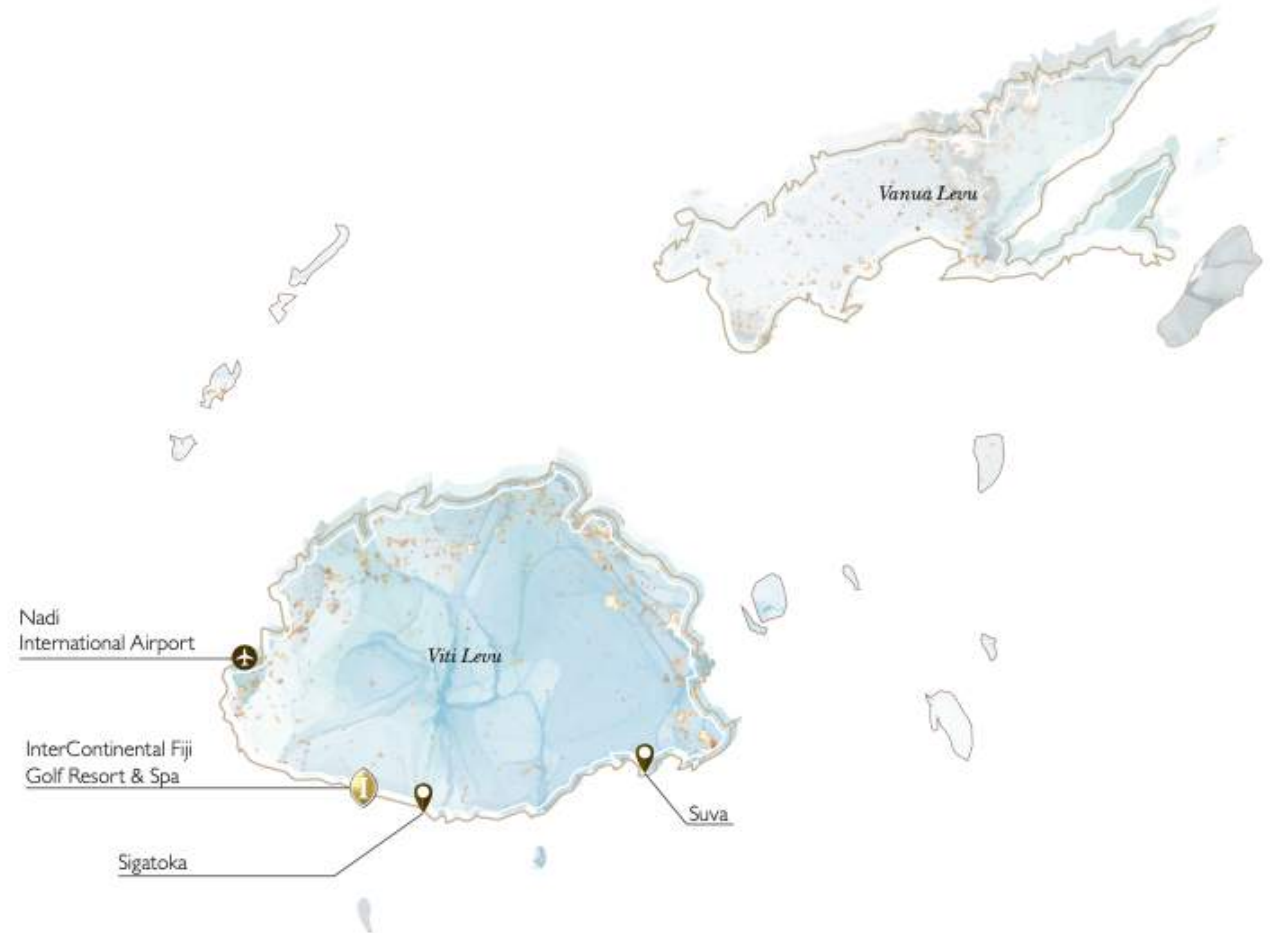

The idyllic islands of Fiji, with their palm-lined white sandy beaches and sheltered lagoons amid the deep-blue waters of the South Pacific, provide the perfect backdrop for romance.

Tropical Fiji enjoys balmy weather all year round. Expect warm days whatever time of the year you visit, with cooler mornings and crisp evenings in the winter months of June to August. Selecting the season to have your Fiji destination wedding is really up to you.

InterContinental Fiji Golf Resort & Spa is located on Fiji's main island of Viti Levu, a trans-Pacific aviation hub with year-round connectivity between Australia, New Zealand, North America, Asia and other Pacific Islands.

Viti Levu is home to a melting pot of cultures and traditions with a rich history and heritage ready for you and your wedding party to immerse in. Take the time to engage with welcoming locals and you'll be rewarded with warm smiles and friendly faces making you feel at home.

There's a wide range of activities for you to enjoy both within the resort and its surrounds. You can jet-boat up nearby Sigatoka River into the Fijian wilderness and spend an afternoon with a local chief and his people. Or spend leisurely hours being pampered and rejuvenated by traditional Fijian healers in our serene spa. Do as much or as little as you like – the choice is yours.

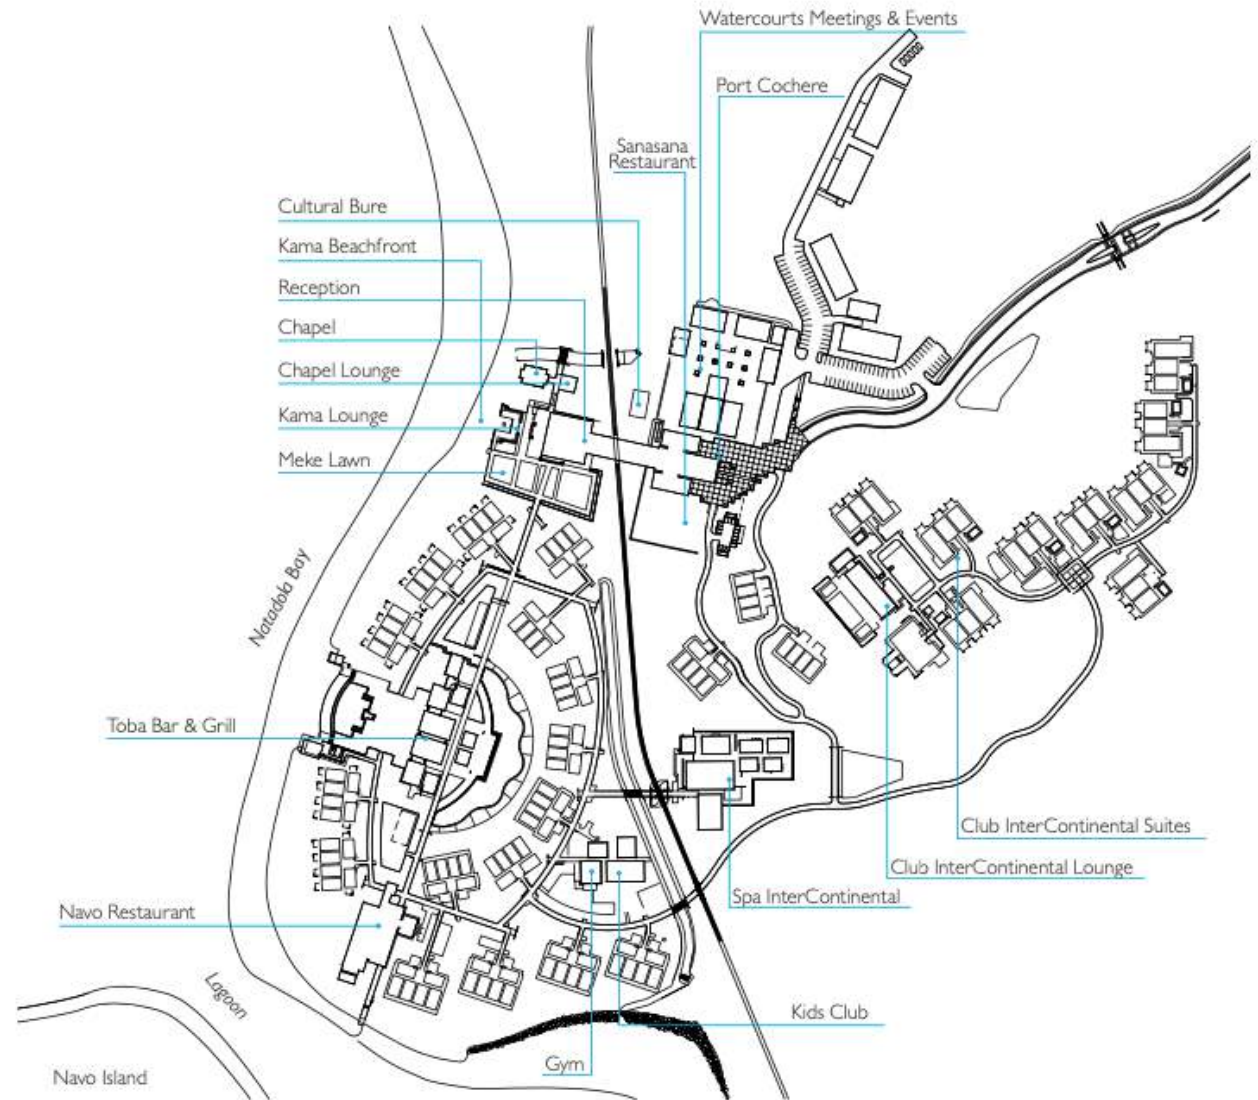

Our Resort

Just 55 minutes from Nadi International Airport, InterContinental Fiji Golf Resort & Spa is nestled among 35 acres of tropical gardens on picturesque Natadola Bay. The resort offers 266 rooms and suites with room sizes ranging from 63 square metres to 218 square metres, and can host wedding parties of up to 400.

Curving right across the azure bay, the long beach is protected by Navo Island, making it ideal for swimming and snorkelling – or simply a romantic sunset stroll.

Finding The Perfect Venue To Say “I Do”

Nothing says destination wedding quite like exchanging vows against the backdrop of the azure South Pacific stretching out to the horizon, framed by palm trees and a pristine sandy beach.

Choose from a beautiful wedding pavilion overlooking Natadola Bay, the white sands of Kama beachfront, or the private manicured lawns of Navo Restaurant overlooking the ocean and Navo Island. Whichever venue you select, rest assured we'll create an oasis of love that will heighten your experience on the day.

After we connect with you and hear from you about your dream wedding, you'll be assigned your very own Wedding Curator, Stylist and Planner. They will walk you through all the possible venues and help you decide which one is perfect for you.

Your Custom Wedding Cake

Our renowned in-house pastry team has created amazing wedding cakes for our past brides and is at your service leading up to your special day.

Traditional Ceremonies

Cabori Ni Yaqona

Origin: Fiji Islands

Presenting kava, followed by a kava drinking ceremony, signi es the union of the families of the bride and groom. The kava presentation usually follows the wedding ceremony and is performed while everyone is seated at the beginning of the reception.

Chekni

Origin: India

The mangni, or chekni, as it's referred to in Fiji, is the closest event to a Western engagement party. This event is often large and celebratory, with the two partners' families present. At this party, several rituals are performed, a formal commitment is made between the couple getting engaged, and vows are exchanged to cement the engagement.

Henna

Origin: India

Applying mendhi (a temporary skin decoration) is considered lucky and the person wearing it is regarded as beautiful and blessed. The bride's henna is usually applied the day before the wedding, which is celebrated with colourful dresses, pulsating music and lively dance. You can incorporate this ritual into a pre-wedding event for the bridal entourage at Spa InterContinental.
