HOTEL MAP

After more than 30 years at the corner of St. Charles and Poydras, the InterContinental New Orleans has continuously provided world class accommodations for the likes of business and leisure travelers. With a \$26 million rejuvenation, this AAA Four Diamond award-winning hotel boasts 484 upgraded guest rooms, over 30,000 sq. ft of meeting space, a revamped favorite pub, Pete's, and a brand new restaurant concept, Trenasse, from the shores of the Gulf Coast and the kitchen of famed Chef Jim Richard.

A smiling bellman and new first-floor lobby greets the guest as they are swept to the illustrious views of new meeting spaces like Frenchman and Treme, or the warm new look of the panoramic LaSalle Ballroom, the only ballroom that overlooks the legendary St. Charles Avenue, which encompasses over 8700 sqft of space. Generous breakout space can be found throughout the floor to provide ideal space for hosting both small and large events in a private setting. The updated modern-New Orleans décor along with the property's numerous amenities and conference services create a picturesque venue for weddings, meetings, and travelers alike.
