Time Honoured Cocktails

MARGARITA \$20

Avion Tequila, Triple Sec, citrus and Agave
You know what they say about drinking Tequila...Can't remember.

CLASSIC DRY MARTINI \$18

Choice of house Gin or Vodka, Dry Vermouth, Lemon Twist
You could stumble down a very deep, very dark rabbit hole trying to determine who mixed the world's first Martini. Was it a California prospector during the 1849 Gold Rush or the barman at a flossy New York City hotel 50 years later? Both stories hold water. Neither will leave you feeling as blissful and content as a well-made Dry martini.

CAIPIRINHA \$19

Leblon Cachaça, lime and sugar
Cachaça is often confused with rum because both spirits are derived from sugar cane; nevertheless, they are surprisingly different. Rum is generally made from molasses, a dark-brown syrupy by-product created during the process of refining sugar. Cachaça, on the other hand, is made from the fresh-pressed juice of the sugarcane, called grape, and contains nothing else.
Cachaça is the official spirit of Brazil.

ESPRESSO MARTINI \$17

Absolut Vodka, Kahlua, Vittoria Coffee Liqueur 43
The Espresso Martini cocktail was created by Dick Bradsell for a customer who allegedly asked for something that would "wake her the heck up" hence the combination of vodka and strong espresso coffee. The 3 beans atop of the Espresso Martini also serve to represent health, happiness and prosperity.

INTERCONTINENTAL75 \$21

The Botanist Islay dry gin, fresh lemon juice, honey syrup,
Piper-Heidsieck Brut Cuvee NV champagne
A celebratory twist on the classic French 75, refreshing and delightfully botanical. Honey sweet with notes of citrus and herbal aromatics. The perfect cocktail to celebrate our anniversary or any occasion.

Time Honoured Cocktails

COSMOPOLITAN \$17

1800 Silver Vodka, Cointreau, fresh lime juice and cranberry juice

There comes a time in every woman's life when the only thing that helps is a glass of champagne...Cosmos are for all the other moments. Because 99% of all problems can be solved by money... and for the other 1% there's alcohol.

OLD FASHIONED \$20

Chivas regal, Makers Mark or Bullet Rye, Angostura Orange Bitters and sugar Scotch Whisky (Scotland), Bourbon (American), Rye Whisky (Canadian) are all forms of whisky, originating in different counties, each with their own flavour profile and strict rules. Let the Bartender have a play and see if you can tell the difference in this beautifully balanced sweet and aromatic cocktail.

WHISKY SOUR \$18

Chivas Whisky, fresh lemon juice, egg white and sugar

Vice Admiral Edward Vernon of England began mixing a few ingredients together to serve to his crew to help combat sea-sickness, malnutrition, and scurvy. But because they didn't want an entire ship of intoxicated sailors, they began to water it down with lemon or lime juice. While the British used Gin and Brandy, Americans flavoured Whisky, and thus the Whisky Sour was born.

Custom Concoctions

MAKE IT MAPLE \$19

Makers Mark, Cointreau, Drambuie, Maple Syrup

The Make It Maple is what its experts believe would be the by-product of a Kentucky and Canadian brain storm. The Makers Mark with the sweetness of the Maple syrup and balanced hints of Honey and Orange....delicious.

BACK IN BUSINESS \$20

Chivas Regal, Dom Benedictine, Cointreau, fresh pineapple, lemon juice, ginger beer

The “Chivas Regal Effect” as its known, refers to something being considered superior simply because of its higher price, so we decided to test it out. Combined with an original recipe created by the Benedictine monks of the Abbey of Fecamp in Normandy, which was lost in the ashes of the French revolution, we are creating our own revolution.

HARMONY \$18

Lychee Liquor, Malibu coconut rum, fresh mint, pineapple juice and apple juice

Coconuts kill over 150 people a year, and are known as the Swiss Army knife of the plant kingdom. Lychee seed can induce hypoglycaemia, after continuous consumption of the pit. Luckily we have found a way to safely infuse them in Harmony. No animals were harmed in the process.

CLUB MALIBU \$18

Havana Club 3yr, Malibu coconut rum, lime, strawberry, and guava juice

There are two competing versions of Havana. One is made in Puerto Rico and is owned By Bacardi and sold in America, while the other is made in Cuba and is owned by Pernod Ricard and sold everywhere else. January 1st 1960 at gunpoint, the Fidel Castro Regime seized the Havana Club without compensation and started to sell their stolen version of the rum. The founding family; the Archabala family fled to America and later went on to sell their original recipe to Bacardi.
