

HUSO

BAR MENU

According to legends, a mysterious fish resides in the depths of the Danube. No one has ever seen him fully; he never reveals his true form. He only allows glimpses of his elusive presence – sometimes a fin, sometimes his eyes flashing in the water, and occasionally, his tail.

This enigmatic creature prefers to remain unknown, yet it makes us aware of its constant presence, lurking in the dark waters. He watches over everything as we dive into the depths. For that it is his domain, and there is only one ruler there.

He is HUSO HUSO.

A legendák szerint egy titokzatos hal él a Duna mélyén. Soha senki nem látta őt teljesen; soha nem fedi fel igazi valóját. Csak egy pillantást enged vetni magára – néha egy uszonyt, néha a vízben villogó szemeit, néha pedig a farkát látni.

Ez a rejtélyes hal nem akarja, hogy megismerjék, de azt akarja, hogy tudatában legyünk annak, hogy mindig ott van, a sötét vizekben leselkedik. Mindenre figyel, miközben a mélységbe merül el mellettünk. Ez az ő birodalma, ő a Duna uralkodója.

Ő a HUSO HUSO.
