TREATMENT GUIDE

THE HAUTE COUTURE

Personalized Experiences

The Haute Couture Experience is the ideal and recommended choice to discover the unique world of CODAGE and benefit from all the expertise you expect in skincare and well-being.

Each treatment is entirely personalized according to your desires and needs and includes a personalized assessment, as well as your custom myCODAGE serum in a discovery size to extend the treatment experience and adopt a professional routine at home.

FACE 60 | 90 | 120 min*

A complete and personalized facial treatment using highly concentrated active ingredient cocktails and a combination of custom massage techniques that lift and tone the facial muscles while improving circulation and drainage for immediate visible results and radiant skin.

FACE & BODY 120 | 150 min*

Comprehensive care: The facial treatment combined with a fully personalized body massage or treatment tailored to each person's unique needs.

**The Haute Couture experiences include 15 minutes reserved for consultation, assessment, and the creation of a custom myCODAGE serum given at the end of the treatment to continue the regimen at home.*
