浮生六记系列鸡尾酒 - 灵感源于清朝苏州文人沈复著于嘉庆十三年（1808年）的自传体散文集《浮生六记》以作者夫妇的生活为主线，叙述平凡而又充满趣味的苏州居家生活与浪游各地的见闻。

Our themed cocktails were inspired by the Six Chapters of Floating Life, written by Shen Fu, a Suzhou scholar in the Qing Dynasty (1808), narrated the delightful domestic life in Suzhou and the experience of travelling.

以《浮生六记》为题，从苏州厚重而浪漫的文化与风物中汲取灵感，在绝美的昆曲、评弹和流芳至今的唐诗宋词中，探索姑苏之美。千年前寒山寺的钟声敲醒晨昏，姑苏城的春华秋实美的动人，而现在我们与您一同探索新生的竹辉。

Six Chapters of Floating Life is the main theme of the signature cocktails. It draws inspiration from profound and romantic culture and scenery of Suzhou. Explore the beauty of Gusu from the extremely beautiful Kunqu, Pingtan and poetry of the Tang and Song Dynasty. The bell from a thousand years ago of Hanshan Temple awakened the dawn. Gusu's colorful and vigorous seasons are full of beauty and charm. And from now on, we are experiencing the renaissance of Bamboo Grove Suzhou.

		Class/杯
